Completing the SF86: A Guide for Employees
IMPORTANT: Before continuing to the e-QIP site, please make note of the following TWO tips to successfully complete the application process:

1. **Golden Questions**

You must generate a user account by creating a Username and Password on your initial e-QIP login:

- You are required to answer a series of "Golden Questions" before creating an account:
  1. You must enter your legal last name in lower case letters for: "What is your last name?"
  2. You will answer **unknown** in lower case letters for: "In what City were you born?"
  3. You must enter your four-digit year of birth for: "What year were you born?"
  4. Locate the Registration Code field and enter the PIN that was provided to you (please note the Pin is case sensitive)
    
    i. **Important:** If there is not a registration code field, you will enter your PIN to answer the question, "In what CITY were you born?"
    
    5. Select “Submit”

- All subsequent logins will only require your Username and Password

2. **Section 13 of the Questionnaire (Employment):** ****The Number 1 reason for Rejection****

- Lockheed Martin must be listed as your current employer, using the following address and phone number:

  **Employer’s Address**
  Lockheed Martin
  100 Global Innovation Circle, MP 801
  Orlando, FL 32825
  (407) 306-7311

  **Physical Address**
  In the “Physical Work Address” field, enter your actual work location. If you are a new hire and unsure of your work location, please contact your recruiter.

Introduction

The following guide is a tool intended to assist you in completing the Standard Form 86 (SF86), as part of the Security Clearance Application process. The instructions and processes in this guide are specific to Lockheed Martin and may not apply to other government agencies or defense contractors.

This is an outline that will help clarify the clearance process. Each section has hyperlinks that will take you to detailed instructions within the document.

The Clearance Application Process may take several hours especially if the applicant has extensive information to submit, i.e. world travelers. Please designate a significant amount of time if this is applicable.

If you previously completed a clearance application for Lockheed Martin and authorized permission to store the document, please follow the instructions below:

- While logged into LM Intranet, go to LMPeople>Security and Safety>General Security Information>Employee Security Information>Request a Copy of Your Clearance Paperwork.
- Visit our FAQ.

In accordance with government regulations, LMSecurity is required to review your Security Clearance Questionnaire to ensure accuracy and completeness. This information will not be used for any other purpose within Lockheed Martin. Information provided by an employee is protected by Section 552a of Title 5 United States Code, “Privacy Act of 1975.”

The e-QIP system you will utilize to complete your SF86 is a government system and is not maintained by the LMSecurity Operations Center.

If you have any questions about the Clearance process not answered below or on the Security Clearance Connection Website, please contact LMSecurity at 407-306-7311 or toll-free at 866-330-7311, Monday through Friday, 7:30 a.m. to 6:30 p.m., Eastern Time.
Steps for Completing your Standard Form 86 (SF86)

**Step 1. Fingerprinting**

- Refer to your clearance notification email (LMSOC-0002) for information on whether you require fingerprinting
- If it is your first time applying for a security clearance, you will need to get fingerprinted
- Search for fingerprint locations on our Security Clearance Connection Website if you require fingerprinting

**Step 2. Prepare Your e-QIP Information**

- Review the SF86 Required Information by Sections below to:
  - Gather all necessary paperwork
  - Make it easy
  - Cut down on the time it takes to fill out your SF86

**Step 3. Accessing Your e-QIP and Initial Login Instructions**

- Go to “Accessing the e-QIP homepage”
  - Or click on http://www.opm.gov/e-Qip/ to go directly to the government e-QIP site
- Accept browser and security settings
- Enter SSN

- Begin creating an e-QIP account by registering for a Username and Password
- Enter initial answers to Golden Questions
- Login using Username and Password
- Review Statement of Understanding
After your clearance process is complete, you will receive an email from LMSecurity requesting your permission to store an encrypted copy of your SF86 for your convenience. Visit our FAQ for more information.

Adobe Set-Up Instructions

Adobe Set-Up Instructions
Prior to entering your data, you must have Adobe Reader 7.0 (or higher). If you do not have Adobe Reader 7.0 or higher, follow one of the two steps listed below:
- Current Lockheed Martin employees can contact the Lockheed Martin Service Desk (LMSD), for LM issued computers at (800) 435-7063
- Lockheed Martin new-hires may download a free version directly from the Adobe website at http://www.adobe.com/

Browser Requirements

e-QIP is compatible with most browsers including Microsoft Internet Explorer, Mozilla Firefox, and Apple Safari. Note: At this time, e-QIP works with all major web browsers with the current exception of Google Chrome and Opera.

The following settings should serve as a guide for configuring your browser:

**Microsoft Internet Explorer (IE):** (Requires Version 6.0 or higher)

- Select **Tools** (top of Internet Explorer Tool Bar)
- Select **Internet Options** (Figure 1.1)
- Select the **Advanced Tab** (Figure 1.2)
- Scroll down to the **Security** section
- Check the box to enable:
  "Do not save encrypted pages to disk"
- Check the box to enable
  "Empty temporary Internet Files Folder when browser is closed"
- Check the box to enable **TLS 1.0** (Figure 1.2)
- Select **General Tab** (top left)
- Within the Browsing history section click **Delete** (Figure 1.3)

![Figure 1.3](image)

- Click **Delete Files** box and **Delete Cookies** box (Figure 1.4)
  (If you have version 8.0, check the Temporary Internet files and Cookies checkboxes, then click Delete.)
- Click **Yes** when pop-up appears asking for confirmation (Figure 1.5)
- Click the **OK** to save

![Figure 1.4](image)

![Figure 1.5](image)
Mozilla Firefox: (Requires Version 0.9.4 or higher)

- Select **Tools** *(Note: If you have version 10.0.3, click on the Firefox dropdown menu located on the top left of the screen.)* (Figure1.6)
- Select **Options**

![Firefox Start Page](image1)

- Select **Advanced** (Figure 1.7)
- Select the **Encryption** tab
- Under **Protocols**, check the boxes to enable SSL 3.0 and TLS 1.0

![Options](image2)

- Select **Privacy** (Figure 1.8)
- Select/enable **Accept Cookies From Sites**
- Uncheck "Remember search and form history"
- Uncheck "Remember download history"
- Select/enable "Clear history when Firefox closes"
- Select **Setting**
- In the "Settings for Clearing History Window" ensure that "Download History, Form and Search History, Cache, Cookies, Offline Website Data and Active Logins" are checked, then click "OK" (Figure 1.9)

![Settings for Clearing History](image3)
**Apple Safari**

If using Safari, you must have **Internet Explorer 6.0 or higher version** or **Firefox 2.0.0.12 - Mac version** web browser at the "User Agent" category or higher for Firefox. Use the following instructions to configure your Safari browser to access e-QIP. On the Menu Bar:

- Select **Edit** box (top of screen)
- Select Preferences
- Select Security
- Select Accept Cookies (only from site that you navigate to)
- Select Advanced
- Select the box labeled "Show Develop Menu in Menu Bar"
- Click proxies - Change settings box (Opens to Internet Explorer (IE) Properties Boxes)
- Select Advanced tab
- Security category is located near bottom of page
- Click "Do not save encrypted pages to disk"
- Click "Empty Temporary Internet Files folder when browser is closed"
- Click/enable SSL 2.0
- Click/enable SSL 3.0
- Click/enable TLS 1.0
- Exit Preferences Window
- On Menu Bar select "Develop User Agent"

**JAWS Screen Reading Software:** (Requires Version 10.0 or higher)

JAWS (Job Access with Speech) is a vocal screen reading software program that enables visually impaired users of e-QIP to complete their form. JAWS provides text to speech recognition. To use, you must use Internet Explorer 6.0 or later and JAWS 10.0 or later.

- Start your internet browser and enter the following URL website address: [https://www.e-qip.opm.gov/eqip/eQIP](https://www.e-qip.opm.gov/eqip/eQIP)
- The e-QIP Gateway Page will appear. Scroll down and click the button labeled ENTER e-QIP APPLICANT SITE.
- A "browser checker" utility will automatically run and test your computer for e-QIP compatibility. Be sure that you have three green checkmarks and click the CONTINUE button to proceed to the application. If you receive the error message "Page Cannot Be Displayed" please follow the instructions to enable TLS 1.0 on the "Testing Your Web Browser for Compatibility" page. To enable the TLS 1.0:
  - Select **Tools**
  - Internet Options
  - Advanced Tab (top right)
  - Scroll to the bottom of the page and check
  - Use TLS 1.0
  - Click "OK"
- A Security Alert box may appear asking "**Do you want to proceed?**" Click the **YES** button using the mouse or type **{ALT Y}** on your keyboard to continue.
- The e-QIP Welcome Screen will appear. **"Enter your Social Security Number"** in the text entry boxes and click the "**SUBMIT**" button to logon to the e-QIP applicant site.
Accessing the e-QIP Home Page

IMPORTANT: Before continuing to the e-QIP site, make note of the following TWO tips to successfully complete the application process:

1. **Golden Questions**

   You must generate a user account by creating a Username and Password on your initial e-QIP login.

   - You are required to answer a series of "Golden Questions" before you create your account:
     1. You must enter your legal last name in lower case letters for; *What is your last name?*
     2. You will answer unknown in lower case letters for; *In what City were you born?*
     3. You must enter your four-digit year of birth for *What year were you born?*
     4. Locate the Registration Code field and enter the PIN that was provided to you. *(Please note the Pin is case sensitive)*
     5. Select "Submit"

   - All subsequent logins will only require your Username and Password

2. **Section 13 of the Questionnaire (Employment):**

   - Lockheed Martin must be listed as your current employer, using the following address and phone number:

     **Employer's Address**
     Lockheed Martin
     100 Global Innovation Circle, MP 801
     Orlando, FL 32825
     (407) 306-7311

     **Physical Address**
     In the "Physical Work Address" field enter your actual work location. If you are a new hire and unsure of your work location, please contact your recruiter.
Accessing the e-QIP Home Page

Click on the following link to access the e-QIP homepage: https://www.opm.gov/e-QIP/

- Scroll down and click the "Enter e-QIP Applicant Site" link (Figure 2.0)

![Figure 2.0](image1.png)

A browser checker will launch. After you have verified that your browser is configured properly, scroll down and click on the "Continue" button. If you receive the error message "Page Cannot Be Displayed," ensure that your browser is set up correctly per the "Internet Browser Set-Up Instructions" above (Figure 2.1).

![Figure 2.1](image2.png)
A security alert box may appear informing you that you are about to view pages over a secure connection. If it does, click "OK." (Figure 2.2)

![Security Alert](image)

Figure 2.2

**Creating an eQIP Account**

The e-QIP welcome screen will appear. Select "Register for Username and Password" to create an e-QIP account. (Figure 2.3)

![Creating an eQIP Account](image)

Figure 2.3

Enter your Social Security Number in the text entry boxes and click the "Submit" button to continue. The Request Number should be left blank. (Figure 2.4)

![Enter Social Security Number](image)

Figure 2.4
Golden Questions

You will be asked three "Golden Questions" (Figure 2.5) Enter the following data:

- "What is your LAST name?"
  - Type your last name in all lower case
- "In what CITY were you born?"
  - You must type unknown in all lowercase. This is set up for security purposes and you will not be able to access e-QIP unless you do so.
- "In what four-digit YEAR were you born?"
  - Type in the year you were born
- Registration Code:
  - Enter the PIN that was provided to you by LMSecurity

Creating a Username and Password

The page will refresh and require you to create a Username and Password (Figure 2.6)

- The Username and Password you provide on this page will be the one you will be required to enter each time you log-in.
**Challenge Questions**

The page will refresh and require you to create three Challenge Questions (Figure 2.7)

- The Challenge questions/answers you provide on this page will be the ones you will be **required** to answer if you forget your Password.

![Figure 2.7](image1)

- Ensure that you remember the answers exactly as they are entered.
- Create a combination of Challenge Questions that only you will know the correct answers to. The Challenge Questions/Answers are one of several security measures that have been built into e-QIP to help to minimize unauthorized access to your information.
- Remember that it may be several years before you return to the e-QIP system to complete a reinvestigation so it is recommended that you use responses that you will remember in the distant future.
- If you forget the answers, contact the **Government e-QIP Help Desk at (800-467-5526)** to get your questions reset to the default questions.
- Asterisks automatically mask Challenge Answers, but if you choose, you can view your answers while typing them if you click the "Allow me to see my Challenge Answers I as I type them" checkbox. Do not allow someone to see your computer screen while your answers are on the screen. If someone sees your responses, the person can logon as you and they will have access to your personal data.
- The next time you see your name listed on e-QIP, it will appear as follows:
  - Your full name, date of birth and “unknown, state” for place of birth.
- Click the highlighted link that says "Enter Your Data" and complete the form with the information you gathered (Figure 2.8).
Prior to entering your data, read the instructions on the "Welcome: Instructions for Editing Your Form Data" screen. By clicking the “Continue” button you will have confirmed that you have read and understood the document (Figure 2.9).

![Figure 2.9](image)

The “Statement of Understanding” screen provides instructions necessary to fill out your SF86 form. Completion of this form is required per Executive Order 12968. By selecting the “Yes” checkbox and clicking the “Save” button you will have confirmed that you have read and understood the document (Figure 3.0). **(Note: The SF86 was updated on August 28, 2011. If your last submission was on or before August 28, 2011, you will need to pay close attention to the information, if any, that carried over from your previous submission to ensure accuracy.)**
Question Navigation

You may use the navigation pull-down menu to go to any section, in any order, by selecting the section, then clicking "Go". The navigation menu is located at the top of the screen (Figure 3.1).

You will also have the option to navigate to specific fields within the details of an entry without having to go through each question asked (Figure 3.2 and 3.3)
General Instructions for Entering Data

- Leave non-applicable text fields blank (Do not enter “None” or “N/A”). If needed, use the *Add Optional Comment* button to add your remarks.
- Validation of your data will occur after you click “Save” or “Save/Continue” (Figure 3.4).

![Figure 3.4](image)

- LMSecurity recommends you continuously save as you navigate throughout the form to ensure you do not overlook a section or lose data due to session time outs if the computer screen is in idle mode for an extended amount of time.
- Please review the [Most Common Rejections](#) prior to entering your data on the SF86.
Errors and Warnings

- After you click the **SAVE button**, if there is an error, the system will display the same screen with "Validation Results" at the top of the form. You must correct the data you have just entered. Validation messages occur only when you have not answered a question appropriately.
- For "Error" messages, you may correct your data by scrolling down to the appropriate field and editing (Figure 3.5). After making corrections, click the SAVE button at the bottom of the page to save your changes. Error messages must be corrected before final validation occurs (Figure 3.6).

![Figure 3.5](image)

![Figure 3.6](image)

For validation “Warning” messages, you may either provide the requested information or check the box “I do not know the requested information” (Figure 3.7). In **ALL** cases, an additional explanation is required if the check box is used. After choosing an action, click the **SAVE** button to save your changes.

![Figure 3.7](image)
For validation "Error" and "Warning" messages, you may also choose to click the "Save/Continue" button. If you click Save/Continue, you can advance to the next question without making the correction. You will, however, have to correct the information prior to the final submission of your form (Figure 3.8).

If you make a mistake and have to start over, click the "Reset This Screen" button at any time prior to clicking the "Save" button. "Reset This Screen" will clear all answers on the screen (Figure 3.9).
Displaying your Data

You can display and/or print your personal information at any time while you are entering your data by selecting the "Display" link (located at the upper left-hand corner of the screen) (Figure 4.0).

By selecting "Display", a new browser window will appear. This window will contain an HTML formatted file, which will display all the data that has been entered up to that point. If desired, you can print the displayed data first by selecting "File", then "Print" from the new browser window (Figure 4.2).
Validating your Data

Although the e-QIP system will automatically validate your data after every screen save, you may also manually validate your screen. To do so, go to the navigation pull-down menu (top right hand side of the screen) and select "Validate, Review and Certify" button. Then select "Go" (located to the right of the pull down menu) (Figure 4.3).

The validation results may show Errors and/or Warnings that require correction. Read the validation results and associated errors. To correct your answers, use the navigation pull-down menu to go to the section that needs to be edited. Make the necessary changes and click the "Save" button.

Certifying your Data

When you have completed all of the questions on the form and are ready to submit, select the Validate, Review and Certify command from the Navigation menu at the top of the screen and click "Go". If the message displayed is "Validation Found No Errors or Unsatisfied Warnings", click the "Continue" button to proceed (Figure 4.4).
The next screen will request a final review of your data with another CONTINUE button to proceed (Figure 4.5).

![Figure 4.5](image)

The following screen will have a "Certify Investigation Request" button. (Figure 4.6).

![Figure 4.6](image)

You will receive a pop-up stating the document generation process may take 20-30 seconds to complete. Select “Ok” (Figure 4.7)

![Figure 4.7](image)

Click-to-sign
The signature forms are provided in an online electronic click-to-sign format. You will click-to-sign each release form which will automatically attach to your e-QIP application. This will allow for more efficient processing of your security clearance. If you agree to utilize the click-to-sign option, select “yes” to continue to the next screen (Figure 4.8).

Figure 4.8

You will be prompted to enter your e-QIP account password in order to provide your digital signature. Enter your password and select “Continue” (Figure 4.9).

Figure 4.9

After entering your e-QIP password, the first release form will appear and prompt you to “Click Here to Sign” (Figure 5.0). This process will occur for each signature page. This will also give you the option to go back into your e-QIP application if you forgot to add something if you select “Edit Your Data”.

………………
Once you select “Click Here to Sign” you will have the ability to print or save a copy of the receipt for the click-to-sign signature page. (Figure 5.1).

All releases will follow the same process. The Authorization for Release of Medical Information form will give you an option to “Continue Without Signing” if you answered “No” to question 21. (Figure 5.2).
Step 1: Instructions for Archival Copy, Signature Pages, and Submission. Click the “Next” button to continue (Figure 5.3).

Step 2: Select "Display the Archival Copy of this Investigation Request for Printing". This will generate a PDF copy of your complete SF86 form to print and/or save for your own records. Your computer must have Adobe Acrobat in order to view these PDF files. If you do not have Adobe Reader 7.0 or higher, see Adobe Set-Up Instructions. (Figure 5.4).
If you choose to opt out of the click-to-sign format, you are required to print the signature pages within step 3 of e-QIP (Figure 5.5). Make sure the printer is set to one-sided printing. After printing, you will need to manually sign and date each form. Your signature must be in black ink.

Once you have signed and dated your signature pages, the following options are available for you to send the forms:

- You may email to faxserver.lmsecurity@lmco.com
- You may fax your signature forms to 720-479-2750.
- Mail/other: You can mail, or hand deliver your forms to:
  
  LMSecurity Operations Center  
  100 Global Innovation Circle, MP 801  
  Orlando, FL 32825

- LMSecurity is committed to protecting Lockheed Martin employees’ personal information. For additional options on transmitting personal information, please visit Security Clearance Connection.
The final step is to click the "Release Request/Transmit to Agency" button (Figure 6.0).
After you have successfully certified your form and released it to your agency, you cannot change your data or log back in the system until there is another need for you to access e-QIP. When this event occurs and you login to e-QIP, most of your data will re-populate in the new request eliminating the need to re-enter all of your data again. (Note: The SF86 was updated on August 28, 2011. If your last submission was on or before August 28, 2011, you will need to pay close attention to the information, if any, that carried over from your previous submission to ensure accuracy.)

Q: Why do I have to complete another SF86 when I just completed one for my Annual Clearance Rejustification (ACR)?
A: Locke...
Orlando, FL 32825; Phone: 407-306-7311. In the “Physical Work Address” field enter your actual work location. If you are a new hire and unsure of your work location, please contact your recruiter.

Q: Why do I need to use 100 Global Innovation Circle, MP 801, Orlando, FL 32825 as my employer’s address if I don’t work at that location?
A: The Office of Personnel Management (OPM) has changed their requirements regarding what address is needed as the address of employer. The address required is the address where the clearance and employment records required for your clearance process are located. This change will decrease the government investigation time, improving the overall cycle time of the process. The “Physical work address” field should be used if you are able to provide the address of where you are/will be physically located. If you are a new hire and unsure of your work location, please contact your recruiter.

Q: When should I use the Additional Periods of Activity option?
A: You should only use the Additional Periods of Activity option when you have worked for the same employer on separate occasions at the same location (for example, if you worked at Lockheed Martin in Orlando, FL during 3 separate periods of time (1/04-1/06, 1/07-1/08 and then 1/10-Present), you would enter the most recent period of employment as your main entry, and provide dates, position titles, and supervisors for the two previous periods of employment as additional periods of activity).

Q: Is part-time employment considered unemployment?
A: Part time employment is not considered unemployment. If you have part time employment, list that employer in an entry and select the “Part Time” employment box.

Q: Why was I rejected because my work and residence were in different states?
A: The government considers a reasonable commuting distance within the same state or adjoining states. However, if you telecommute or travel provide an explanation in the comment section.

Q: Do I need to list time as unemployment if I wasn’t receiving unemployment benefits?
A: You should list any period of time that you were not employed as unemployment, including school, retirement, travel, etc.

Q: What should I list for employment if I was a student?
A: If you were not working while in school, you should list that period of time as unemployment.

Q: What is a Selective Service Number and where can I find out if I have one?
A: Selective Service Registration is a way our government keeps a list of names of men from which to draw in case of a national emergency requiring rapid expansion of our Armed Forces. By registering all young men, the Selective Service ensures that a future draft will be fair and equitable. This information is only required for males born after 12/31/1959. You can register or verify previous registration by calling the Selective Service System at (847) 688-6888 or at the link below: https://www.sss.gov/Default.htm

Q: What do I put if I never registered for a Selective Service Number?
A: Men 18 through 25 years old may register with Selective Service up until their 26th birthday by calling the Selective Service System at (847) 688-6888 or at the link below: https://www.sss.gov/Default.htm.
A: Men 26 and older will need to provide a legal explanation as to why registration was not completed.

Q: What information do I need to have regarding my divorce court?
A: You should provide references with which you maintain current contact; however if this is not possible, you can include a comment stating why you cannot obtain that information.

Q: Can I list relatives under Section 16, People Who Know You Well?
A: Whenever possible, you should list references other than your spouse, or any other relatives; however if there are no other individuals you can list, a comment should be included with your entries stating why you were not able to list someone else.

Q: What information do I need to have regarding my divorce court?
A: You will need to provide your former spouse’s full name, place and date of birth, country(ies) of citizenship, date and place you were married, date you were divorced and location the record is held.

Q: What should I put if I do not have any information regarding my ex-spouse?
A: If you do not have any contact with your ex-spouse and are unable to obtain any information, provide an explanation in the comment section.

Q: What should I do if I don’t have information on my In-Laws or relatives?
A: We recommend that you make an attempt to obtain the required information either directly from the relatives listed or from a third-party source. However, if you are unable to obtain this information, you are still required to provide an entry for your relative. You will need to explain in additional comments why you were unable to provide the required information.

Q: Do my foreign family members go under foreign contacts or relatives?
A: Only immediate family members should be listed under section 18 Relatives. Immediate family includes your parents (including step-), siblings (including step- and half-), children (including step-, adopted or foster), father-in-law and mother-in-law and guardian(s). All other foreign relatives should be listed under section 19 Foreign Contacts.

Q: Do I need to list foreign business travel taken on behalf of Lockheed Martin?
A: Yes, but you do not need to provide an entry if your foreign travel was strictly on behalf of Lockheed Martin in support of a government contract or for government business. However, if while you were on LM business/government travel, you decided to take some time for personal travel, you will need to include this information under your foreign travel section.

Q: What should I do if I have one entry that applies to multiple letters in the financial/criminal section?
A: The e-QIP system requires that you provide at least one entry for every “yes” answer. Therefore, you must enter all applicable information even if multiple questions have the same answers.

Q: Do I need to list each account individually that was included in a bankruptcy?
A: Yes, you will have to make a separate entry for all delinquent accounts including those included in a bankruptcy.

Q: What was the date of my last investigation for Section 25?
A: If your last investigation was processed thru LMSecurity, you will need to contact LMSecurity toll free at 866-330-7311 or 407-306-7311 Monday – Friday 7:30 am to 6:30 pm EST. If your previous investigation was processed thru a different agency, you will need to contact them directly to obtain that information.

Q: What information is required in Section 26 (Financial Record) of the SF86?
A: Required information is determined by the question you answer “yes” to. Please refer to each section to determine what information will be required.

Q: Why isn’t the United States listed in the drop down selections?
A: You will not see the United States listed as an option in the drop down selection when one of the following occurs:

- You have already included the city and state (and the instructions state that the country is not needed if you provide a US city and state)
- The question is only asking for information pertaining to a country other than the United States

Q: Where is the direct link to e-QIP located?
A: You can access the e-QIP website via www.opm.gov/e-QIP/. We recommend that you bookmark this page or save it as a favorite in case you need to access it at a later date.
Q: Why can’t I log into e-QIP when I am providing my last name, city of birth and year of birth for the Golden Questions (e-QIP account creation)?
A: You will need to type unknown for city of birth.

Q: What is my Registration Code and how can I get one?
A: The Registration Code is your Personal Identification Number (PIN) which is required in order to generate an e-QIP account. If you have been initiated to complete the e-QIP and need your PIN resent to you, you may email clearances.lmsecurity@lmco.com.

Q: What happens if I do not remember my e-QIP Username?
A: You will need to contact the DoD Security Services Center to reset your Username. Toll free at 888-282-7682 Monday – Friday from 6:00 am to 8:00 pm EST. The Call Center is closed on weekends and all federal holidays.

Q: Will I lose any of my data if I have previously logged in using my Golden Questions, but now creating and logging in with a Username and Password?
A: You will not lose any of your previously entered data.

Q: Why am I unable to go back to previous sections in the SF86 and make corrections when I have not submitted it yet?
A: Depending on where you are on the form, you may or may not be able to go back to previous sections. While you are filling out the sections, the e-QIP system allows you to navigate back and forth throughout the form by using the navigation drop down menu. However, once you have certified all of the information is complete and accurate on your form, you will no longer be able to go back thru the sections and make changes.

Q: Why am I getting a page cannot be displayed error when trying to access e-QIP?
A: You may want to check your internet settings. Please click here for instructions on internet settings.

Q: What is the difference between a warning and an error?
A: The difference between a warning and an error is that warnings are items that the government could potentially reject your e-QIP for, but the form will allow you to submit as long as you provide an explanation as to why you were unable to provide the requested information. Any errors that are found must be corrected otherwise the form will not let you continue, these errors are items that the government has identified as high priority.

Q: Can I access the e-QIP site if I am overseas?
A: Yes. The e-QIP site is accessible from any computer as long as there is an internet connection.

Q: How do I submit my SF86 after I have completed entering my data?
A: For steps on releasing your form for processing, click here.

Q: How do I have my SF86 released back to me if I forgot to put information in it?
A: You will need to contact LMSecurity toll free at 866-330-7311 or 407-306-7311 Monday – Friday 7:30 am to 6:30 pm EST and request your form be sent back to you for corrections.

Q: What is my password when utilizing the “Click-to-Sign” option for submitting my release forms in e-QIP?
A: The password for click-to-sign will be the same one that you created for your e-QIP account login.
Q: Can I email my releases (signature forms) to the LMSecurity Operations Center?
A: We recommend that you utilize the electronic click-to-sign format within step 3 of your e-QIP application. This option will attach your release forms directly to your e-QIP application. If that is not convenient for you, you can email your releases (signature forms) to faxserver.lmsecurity@lmco.com or fax them to LMSecurity at 720-479-2750. You also have the option to mail, or hand deliver your forms to: LMSecurity Operations Center, 100 Global Innovation Circle, MP 801 Orlando, FL 32825 Note: LMSecurity is committed to protecting Lockheed Martin employees’ personal information. Q: Why was my SF86 rejected?
A: Specific reason(s) as to why your SF86 was rejected and what information is being requested would be provided via an email from LMSecurity.

• Before submitting your application to the government, our team reviews your form to make sure there are no corrections or clarifications that need to be made. When we find missing information or data that needs clarification we will send it back to you so that you can make corrections before sending it off to the government. At that time you will need to locate the section that needs correcting, make the changes or add information, recheck the yes/no questions and reprint/fax the signature forms.

• If the government request additional information or clarification they will send notification to LMSecurity and we will forward that onto you with the corrections that need to be made. At that time, you will need to locate the section that needs correcting, make the changes or add information, recheck the yes/no questions and reprint/fax the signature forms.

• Rarely the government rejects a file in error. If you receive an email stating your file was rejected in error, no changes are required, but you will need to recheck the yes/no questions and reprint/fax the signature forms.

• Note: LMSecurity is committed to protecting Lockheed Martin employees’ personal information. For additional options on transmitting personal information, visit Security Clearance Connection.

Q: Do I need to wait to submit my application until after I have faxed my signature pages if I opted out of Click-to-Sign?
A: As long as you have printed or saved your signature forms to your computer you can release/submit your SF86.

Q: Do I need to attach the release (signature) forms in Step 4 (attachments)?
A: No, this will occur automatically when utilizing the click-to-sign option.

Q: How can I receive my signature forms if I cannot log back into e-QIP?
A: You should first attempt to retrieve them via the Lockheed Martin internal EDSS website. If you are not a current LM employee or you verify they are not available via the EDSS website, you will need to contact LMSecurity toll free at 866-330-7311 or 407-306-7311 Monday – Friday 7:30 am to 6:30 pm EST and request we email you a copy of your forms.

Q: How do I know if you have received my SF86, including Signature Pages?
A: Your SF86 form is submitted online via the e-QIP site. LMSecurity will not have access to review your form or ability to confirm whether it was submitted until 24 hours after you have released your form to us. If you need confirmation before then, we would recommend that you attempt to log back in to the e-QIP site. If you still see the Golden Questions you created, your form has not been released and you will need to log in and release your form to us. If you see that your Golden Questions have changed to something other than the questions you created, this indicates that you have released your form.
A: Your signature pages are available in an electronic click-to-sign format and will automatically attach within step 4 of the e-QIP application. You will be prompted to click-to-sign each release form.

If you wish to opt out of the digital click-to-sign format, the following options are available to you for submitting your signature pages:

- Email a digital copy of the requested documents to: faxserver.lmsecurity@lmco.com
- Fax without a cover sheet to LMSecurity at (720) 479-2750
- Mail the requested documentation overnight to: Lockheed Martin Corporation Attn: LMSecurity
  100 Global Innovation Circle, MP801 Orlando, FL 32825

Q: Why do I have to submit new signature forms? What is wrong with the old ones?
A: You may need to submit new signature forms due to one of the following reasons:

- If your application has been rejected back to you for corrections, the investigation number will change on the new form you will be submitting. The signature forms you previously submitted also contain an investigation number. Since the government requires that the investigation number on your application matches the investigation number on your signature forms, the forms you previously submitted would no longer be valid and you are required to submit the updated set.
- If you opted out of the click-to-sign format and manually signed the signature forms, they could have been deemed to be of poor print quality or invalid. You are required to submit a new set. Some of the most common examples of poor print quality are:
  (1) Black or white lines running through the form
  (2) Blurry or illegible
  (3) Missing signature or signature too light

Q: Why am I receiving an email stating that my SF86 has not been received?
A: There are several reasons as to why you are receiving an email stating your SF86 has not been received:

- It can take 24-48 hours for our system to update reflecting a completed status for the required SF86 form. Once that occurs, the emails will no longer be sent. Depending on when you submit your application, another email can be sent out before our database is updated.
- A common mistake when completing the form on e-QIP is not going to the final step and selecting the “Release Request/Transmit to Agency” button. You will simply need to log back in and go to the final step making sure that you select the “Release Request/Transmit to Agency” button.

Q: My SF86 was sent back for corrections on certain sections but when I validated the form it gave me a lot of errors. Why do I have to complete all of the sections again?
A: The e-QIP system requires that you provide your most up to date information. Since the system does not recognize the last time that you submitted your SF86 form, it requires that you re-check the yes/no questions every time your form is sent back to you for corrections to confirm you are providing the most up to date information.

Answers to Miscellaneous Questions

Q: Where can I get a copy of a previous SF86 that I submitted?
A: LMSecurity Operations Center only stores previous security clearance applications for current employees who have submitted a previous form to our Security Operations Center starting in 2006 and have confirmed they want a copy of their SF86 form stored within our systems. If you submitted a previous Security Clearance Application to a different company or to LM prior to 2006 we will not have your information stored.
Q: Why do I have to complete another SF86 when I just completed one for my Annual Clearance Review (ACR)?
A: Certain contracts require that you update your SF86 form on an annual basis in order to maintain JAFAN compliance. These forms are reviewed by your CPSO and are not submitted for government review.
A: Every 5 (Top Secret) or 10 (Secret) years you are required to update your SF86 form for reinvestigation by the government. During the year when your reinvestigation is due you will be required to update your form twice within the same year unless both the ACR requirement and the PR requirement are due at the same time.

Q: Do I need to complete an SF86 if I have completed one in the past two years?
A: Unless the SF86 form is required to maintain JAFAN compliance, you do not have to complete a new form if the previous SF86 was submitted to the government, an investigation was conducted, and adjudication was made for an equal or higher clearance level than the one you are currently submitting.
A: You will need to submit an updated SF86 if the one previously submitted was solely completed to satisfy a customer requirement and there was not an investigation conducted or the previous investigation was adjudicated for a lower level clearance.
A: If you are unsure of any of the above, you will need to contact the agency that sponsored your previous submission to obtain the background investigation date, granting agency, and level of clearance granted.

Q: Can LMSecurity grant extensions for completing the SF86?
A: Extensions can be granted on a case-by-case basis. However, if the system timelines have already been started, a new request may be needed from your local Facility Security Officer (FSO).

Q: Does having a foreign passport automatically disqualify me from having a clearance?
A: (Per DSS website as of 11/20/09) Yes. DISCO will not grant or continue a personnel clearance if the clearance applicant or cleared individual possesses a current foreign passport. In instances where the foreign passport is the sole potential disqualifying factor in the personnel clearance adjudication, DISCO will send a Joint Personnel Adjudication System (JPAS) message to the Facility Security Officer (FSO) stating that if DISCO receives reliable documentary evidence that the foreign passport has been destroyed, invalidated, or surrendered, DISCO will grant or continue the clearance.

Q: How do I have my foreign passport invalidated or destroyed?
A: You may take your passport to your local FSO/Security office who may witness the destruction of your foreign passport. You may shred or use a hole punch to destroy the passport. The local security office can sign a form stating they have witnessed the destruction of the document.
A: The passport holder may surrender the foreign passport to the FSO for safekeeping, but the FSO is not required to perform this service. If the FSO does accept the surrendered passport and the FSO subsequently returns the passport to the cleared individual while the passport is current, the FSO must submit an incident report in JPAS with details concerning the return of the passport.

Q: I have submitted an SF86 form in the past but now the questions are different. Why did the questions change?
A: As of August 2011, the government released a new SF86 form. Anyone who is required to submit an SF86 form will be completing the newly updated SF86 form.
