On May 19, a Romanian Air Force F-16 supporting NATO's enhanced Air Policing mission shot down a drone in Estonian airspace, demonstrating the F-16's rapid-response capability and critical role in alliance air defense.

Recent Milestones

- On May 23, Slovakia's Ministry of Defence signed a sustainment agreement with Lockheed Martin to support the Slovak Air Force's F-16 Block 70 fleet through 2030, providing spare parts, repair services and technical support to enhance long-term readiness and strengthen the strategic partnership.
- On April 20, Peru's government signed a contract for the F-16 Block 70, marking a major step in the Peruvian Air Force's fighter fleet transformation, reinforcing a longstanding strategic partnership with the United States and enabling industrial-collaboration opportunities.
- On April 15, the Hellenic Air Force received its 50th F-16V fighter aircraft, delivered by Lockheed Martin in partnership with Hellenic Aerospace Industry (HAI), as Greece continues to move forward with one of Europe's most active fighter modernization efforts.
