The 60th Hellenic Air Force F-16V at Hellenic Aerospace Industry in Tanagra, Greece.

Recent Milestones

- Lockheed Martin and Hellenic Aerospace Industry delivered the 60th upgraded F-16V to the Hellenic Air Force on Sept. 16, with additional aircraft undergoing modernization in Tanagra through 2027.
- The Republic of Slovak government approved and signed a Letter of Offer and Acceptance for the acquisition of four additional F-16 Block 70s on Sept. 9.
- On Sept. 3, L3Harris Technologies announced completion of the first 35 Viper Shield electronic warfare and countermeasure systems for the global F-16 fleet. Eight allied nations have ordered 233 systems.
- On Aug. 26, Lockheed Martin announced a proposed industrial and social collaboration package for Peru, totaling \$1.8 billion in economic value, as part of the country's F-16 Block 70 program. Proposed projects include domestic assembly of an unmanned aircraft system, engineering and fighter-maintenance training, and initiatives to expand Peru's aerospace and maintenance, repair and overhaul capabilities.
