The F-16 Block 72 will strengthen Morocco's air defense capabilities with advanced radar, modernized avionics and improved mission systems. Lockheed Martin photo.

Recent Milestones

- Ukrainian F-16s have destroyed approximately 4,700 attack drones, including 1,100 in October, according to the commander of Ukraine's 107th Separate Aviation Wing at the International Fighter Conference on Nov. 5.
- Romanian Air Force F-16s shot down two jet-powered attack drones over Romanian territorial waters on Oct. 17, defending national airspace along NATO's eastern flank.
- Slovakia's F-16 Block 70 aircraft began national air policing duties on Oct. 28, marking a significant milestone in the country's transition to its new fighter fleet.
- On Oct. 6, the first F-16 Block 72 for the Royal Moroccan Air Force flew in Greenville, South Carolina.
