REV	DATE	CHANGES
4	6-29-2020	Document Reviewed for Accuracy: DELETED: "Complete Re-Write" heading DELETED: Paragraph C wording – <i>"in lieu of any First Article Inspection and Recurring Inspection PowerPoint measurement plans contained in the BTP. If Key Characteristics are identified on the associated contract drawings and no measurement plan is present in the BTP, Seller shall submit a request through the Electronic Supplier Problem and Resolution ("e-SPaR") system for resolution."</i>
3	1-7-2014	Complete re-write.
2	2-11-2011	Minor revisions for clarification purposes. Summary of major revisions: (1) Directs suppliers to utilize the 2YZA00720 document in lieu of the FAI and Recurring PowerPoint Measurement plans located in the BTP - NOTE: The released 2YZA00720 Technical Document located within Product Data Manager ("PDM") contains detailed entrance / exit criteria for First Article Inspection Measurement Plans, Recurring Measurement Plans and Reduced Inspection Measurement Plans; (2) Allows suppliers five (5) days to submit KC data to Lockheed Martin Aeronautics in lieu of the current two (2) day requirement; (3) Instructs suppliers to submit KC data to their respective folder on JDL and not directly to the LM Aeronautics Buyer; (4) Revised section for KC summary data on sub-indentured parts; (5) Revised section instructing suppliers as to what data must be submitted to LM Aeronautics once suppliers are utilizing an approved Reduced Inspection Plan
1	3-12-2009	Minor revision to clarify submittal and usage of measurement plan results
Original	9-28-2005	Original release
