and workmanship, for a period of twelve (12) months from the date of delivery to LOCKHEED MARTIN.

(c) WARRANTY CLAIM PROCESS:

- (i) LOCKHEED MARTIN shall issue a Repair Request and warranty claim to SELLER by fax or other electronic means giving all available information to SELLER.
- (ii) In order to reduce the period between discovery of defect and repair/replacement of defective parts, SELLER's specialist(s) (if any) at LOCKHEED MARTIN facilities in CONUS or at the END USER FORCE facilities in the UAE, whenever possible, shall assist LOCKHEED MARTIN in deciding if the defective Products have to be dispatched to SELLER's factory for repair/replacement or can be repaired locally.
- (iii) SELLER will give priority to repair/replacement of Products, part or parts of Products returned under warranty so as to reduce as much as possible the duration of said repair/replacement.

Add the following new **CLAUSE 38 NEW PRODUCT ORDERING**

(a) UNPRICED ORDERS

LOCKHEED MARTIN may place routine orders by fax or other electronic means.

- (i) For Routine unpriced orders, LOCKHEED MARTIN shall issue RFQs and SELLER shall, within ten (10) days, quote price and lead time. Quotations shall be valid for one hundred ninety (190) days. Upon receipt of LOCKHEED MARTIN's Contract, SELLER shall, within three (3) days of receipt, acknowledge receipt and begin performance. In case of a discrepancy, SELLER will request changes to the Contract to bring the Contract into compliance and begin performance.
- (ii) For Priority unpriced orders, upon receipt of this Contract, SELLER shall deliver the product within one week. If not available, SELLER shall take all actions necessary to expedite delivery of the product.

(b) LIMITED SHELF LIFE OF PRODUCTS

Shelf life will be in accordance with the date on the documentation with the Product at delivery for applicable items. The **SELLER** will deliver Products with more than seventy percent (70%) total shelf life from the date of delivery for all Routine and IOR Orders. For AOG Orders, the value will be at least fifty percent (50%). Applicable items are those with relatively short shelf lives, such as paint, solvents and petroleum products.

(c) DMS, OBSOLETE OR ALTERNATIVE PRODUCTS

- (i) In the event of any of the Products or GSE mentioned on a Request for Quotation prove to be DMS/Obsolete before receipt of the order, SELLER shall advise LOCKHEED MARTIN in the response to the Request for Quotation, and shall provide a quotation for a substitute.
- (ii) If, as a result of DMS and/or vanished sources, SELLER is unable to procure a form/fit/functional part or component necessary to fulfill any of the requirements of a Purchase Order, SELLER shall take all necessary actions to find a solution and then shall promptly notify LOCKHEED MARTIN to discuss any potential resolutions. LOCKHEED MARTIN and SELLER will negotiate any potential resolution, including any adjustment to price and/or schedule.
- (iii) In the event that SELLER realizes any of the Products or GSE mentioned in a Purchase Order has changed after receipt of the order, SELLER shall be entitled to supply alternative Products or GSE in lieu of the ordered Product on the provision that the same are interchangeable, with the same or better technical specifications. SELLER will advise LOCKHEED MARTIN of such changes prior to delivery of the Product and will update corresponding technical publications. Such changes will be included in the

next technical publication update.

Add the following new **CLAUSE 39. REPAIRS-OVERHAUL-MODIFICATIONS-CALIBRATIONS**

- (a) If the item is under warranty, then SELLER shall proceed with the work; if not, the following procedure shall be applied:

- All quotations shall be valid for a period not less than ninety (90) days.
- (iii) LOCKHEED MARTIN, within forty-five (45) days of receipt of SELLER's quotation, shall issue the Purchase repair/overhaul/modification order signed by LOCKHEED MARTIN.
- (b) After repair/overhaul/modification/calibrations, SELLER shall arrange the shipment of the Product according to LOCKHEED MARTIN instructions. SELLER will issue and send to LOCKHEED MARTIN the final technical investigation report duly completed with information concerning the repaired/overhauled/ modified/calibrated Product.
- (c) If LOCKHEED MARTIN decides the repair must not be carried out, disassembly, cleaning, technical investigation, transportation will be charged to LOCKHEED MARTIN.
- (d) In the event a Product is sent for repair to SELLER according to recommendations of SELLER's built-in test or other fault detection mechanism and the said Product proves to be serviceable/not defective after factory investigation, SELLER shall send back the said Product and all the cost related to this shall be borne by SELLER.
- (e) If the SELLER determines that a Product is BPR or BER, the SELLER shall notify the BUYER, provide technical rationale for the determination, and wait for BUYER's authorization to scrap the Product. Once the Product is scrapped, the SELLER will provide documentation to the BUYER to close out the repair. Disassembly, technical investigation, scrapping effort and /or transportation costs, if any, will be charged to the BUYER pursuant to the provisions of this Contract.
- (f) **TURN AROUND TIME**

(i) TAT necessary to carry out the repair/overhaul/modification/calibration for any Product shall not exceed one hundred and twenty (120) days from the date SELLER receives the Product from LOCKHEED MARTIN until the Product is delivered to LOCKHEED MARTIN or its designated freight forwarder, Fort Worth, TX. TAT excludes the period between SELLER's quotation date and the LOCKHEED MARTIN repair/ overhaul/modification/ calibration Purchase Order date.

(ii) TAT for Products under warranty shall not exceed 60 days from date of SELLER's receipt of the returned Product.

(g) **GENERAL CONDITIONS**

(i) All Products that have to be shipped in a specific container according to SELLER's Technical Publications will be returned when possible for repair/overhaul/modification/calibration in the proper specific container.

(ii) In order to speed up the flow of Products to be repaired/overhauled/modified/ calibrated, LOCKHEED MARTIN and SELLER shall implement by mutual agreement specific solutions on a case-by-case basis such as rotation of empty containers or loan of SELLER's containers.

(iii) In case a Product submitted for repair/overhaul/modification/calibration is subject to an optional/ recommended (not time limited) modification by SELLER, the cost will be detailed in SELLER's Quotation as per Clause 39(a)(ii)a.

(iv) SELLER will perform free of charge any SBs / Letter / Modification involving only visual inspection or minor adjustment/ rework accessible during the overhaul/repair of the Product.

(v) During the repair/overhaul/modification/calibration, all safety modifications, and mandatory SBs that concern the Product will be implemented by SELLER free of charge.

(vi) SELLER will inform LOCKHEED MARTIN of the cost of each modification (cost of labor and spares) that LOCKHEED MARTIN requested to be implemented on a Product. The modification and the repair will be reported in the repair summary of each part. The invoice shall show the cost of repair/overhaul/ modification/calibration as well as the modification.

(vii) In case a Product is under repair/overhaul/modification/calibration with SELLER and LOCKHEED MARTIN has an AOG case for the same product, then SELLER shall consider one of the following options to assist LOCKHEED MARTIN in this situation by completing the service on the Product under repair/overhaul/ modification/calibration within fifteen (15) days of issuing of the AOG status by LOCKHEED MARTIN.

(viii) SELLER shall maintain repair capability for LOCKHEED MARTIN Products for the life of this agreement.

Add the following new **CLAUSE 40. SAFETY / MANDATORY MODIFICATIONS / OBSOLESCENCE / REPETITIVE FAILURES**

(a) SELLER shall notify LOCKHEED MARTIN of all safety / mandatory modifications approved as such by SELLER during the life of this agreement.

(i) For Products under warranty that were purchased under this agreement, SELLER shall provide the necessary kits to LOCKHEED MARTIN at no cost to LOCKHEED MARTIN for all safety / mandatory modifications and the related updating of the technical publications and all necessary tools, if not available to LOCKHEED MARTIN or its customers.

- (ii) SELLER's warranty representative's team shall be sent to assist LOCKHEED MARTIN in the installation of these TCTO kits, or in the absence of SELLER team, the on-site SELLER's technical representatives shall assist LOCKHEED MARTIN maintenance technicians on the installation of said TCTO kits at no cost to LOCKHEED MARTIN.
- (b) For Products under warranty that were purchased under this agreement, SELLER undertakes to inform LOCKHEED MARTIN if any modification is ordered by SELLER's customers including the US Government, or proposed by SELLER itself or embodied in the Product and subject to the approval of LOCKHEED MARTIN, whether or not affecting the operational capabilities of the Aircraft.
