(a) In all situations where contractor personnel status is not obvious, all contractor personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such contractor personnel are Government officials. This can occur during meeting attendance, through written (letter or email) correspondence or verbal discussions (in person or telephonic), when making presentations, or in other situations where their contractor status is not obvious to third parties. This list is not exhaustive. Therefore, the contractor employee(s) shall:

- (1) Not by word or deed give the impression or appearance of being a Government employee;
- (2) Wear appropriate badges visible above the waist that identify them as contractor employees when in Government spaces, at a Government-sponsored event, or an event outside normal work spaces in support of the contract/order;
- (3) Clearly identify themselves as contractor employees in telephone conversations and in all formal and informal written and electronic correspondence. Identification shall include the name of the company for whom they work;

(4) Identify themselves by name, their company name, if they are a subcontractor the name of the prime contractor their company is supporting, as well as the Government office they are supporting when participating in meetings, conferences, and other interactions in which all parties are not in daily contact with the individual contractor employee; and

(5) Be able to provide, when asked, the full number of the contract/order under which they are performing, and the name of the Contracting Officer's Representative.

(b) If wearing a badge is a risk to safety and/or security, then an alternative means of identification maybe utilized if endorsed by the Contracting Officer's Representative and approved by the Contracting Officer.

(c) The Contracting Officer will make final determination of compliance with regulations with regard to proper identification of contractor employees.

NAVAIR 5252.227-9501 INVENTION DISCLOSURES AND REPORTS (MAY 1998)

(a) In accordance with the requirements of the Patent Rights clause of this contract, the contractor shall submit "Report of Inventions and Subcontracts" (DD Form 882) along with written disclosure of inventions to the designated Contract Administrator.

(b) The Contract Administrator will forward such reports and disclosures directly to the appropriate Patent Counsel, designated below, for review and recommendations, after which the reports will be returned to the Contract Administrator.

PART III. The following Special Contract Requirements (H clauses) are added:

H1--PRESERVATION OF RIGHTS FOR TECHNICAL DATA, COMPUTER SOFTWARE, AND COMPUTER SOFTWARE DOCUMENTATION ACCESSED, DELIVERED, OR PROVIDED ELECTRONICALLY

Information, whether delivered pursuant to the Supplier Data Requirements List (SDRL) or provided in response to any other requirement contained in this contract, which would be deemed “technical data” under DFARS 252.227.7013, Rights in Technical Data–Noncommercial Items (JUN 2014), or “computer software” and “computer software documentation” under DFARS 252.227-7014, Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation (MAY 2014), if it were delivered in written form, shall not lose its status as technical data, computer software, or computer software documentation solely because access by the Government, delivery by the Seller, or provision by the Seller is by electronic means. The rights of the parties shall be as specified in DFARS 252.227-7013 and DFARS 252.227-7014.

H2--5252.204-9504 DISCLOSURE OF INFORMATION (JAN 2007) (VARIATION)

(a) The Seller shall not release to anyone outside the Seller’s organization any information (e.g., announcement of contact award), regardless of medium (e.g., film, tape, document), pertaining to any part of this contract or any effort directly related to the

F-35 Lightning II Joint Strike Fighter (JSF) Program unless—

- (1) The F-35 Joint Program Office (JPO) has given prior written approval;
- (2) The information is otherwise in the public domain before the date of release; or
- (3) The information is being released to associate contractors, subcontractors, suppliers, or vendors who require the information for execution of work under an F-35 Lightning II JSF contract.

(b) Requests for approval shall identify the specific information to be released, the medium to be used, and the purpose for the release. “Information” includes, but is not limited to, news releases, articles, manuscripts, brochures, advertisements, still and motion pictures, speeches, trade association meetings, symposia, and professional papers to be published. The Contractor shall submit the original and 1 copy of the information proposed for release to the JPO at the following address:

F-35 Joint Program Office
Attn: Public Affairs Officer
200 12th Street South, Suite 600
Arlington, VA 22202-5402

Where practicable, requests and the specific information may be provided to the Public Affairs Officer using an electronic medium appropriate for the security level of the information being transmitted. The Contractor shall submit its request to the Public Affairs Officer at least 15 working days before the proposed date for release.

(c) The Contractor shall include a statement indicating the project or effort depicted was or is sponsored by:

F-35 Joint Program Office
Arlington, VA 22202

(d) The Contractor agrees to include a similar requirement in each subcontract or purchase order under this contract. Subcontractors, suppliers, and vendors shall submit requests for authorization to release through the prime contractor to the Public Affairs Officer.

H-7 TECHNICAL DATA AND COMPUTER SOFTWARE LICENSE REFUND

If it is determined that any technical data or computer software licensed to Lockheed Martin by Seller via a Specifically Negotiated License (SNL) or through DFARS clauses 252.227-7013 or 252.227-7014, was not developed exclusively at private expense, the price of the license shall be refunded to Lockheed Martin.

1. The term “license fee” as used in this clause refers to any costs, fees, or charges for the use of or for data rights in connection with performing this contract or any subcontract hereunder. The term also includes any costs, fees, or charges associated with the access to, use of, or any other right pertaining to the software identified as an SNL or asserted to by the Contractor under DFARS clauses 252.227-7013 or 252.227-7014.

3. If it is determined that SNLs or Identified contractor Assertions of Restriction asserted to by the Seller under DFARS clauses 252.227-7013 or 252.227-7014 were not developed exclusively at private expense, in accordance with DFARS 252.227-7019 Validation of Asserted Restrictions - Computer Software, the license fees for the asserted software line item shall be refunded to Lockheed Martin.

H-8 – RIGHTS IN NONCOMMERCIAL DATA AND SOFTWARE

If the SELLER believes it to be in the best interest of the F-35 program to consider use or incorporation of any noncommercial technical data, noncommercial computer software, or noncommercial computer software documentation with less than Government Purpose rights other than assertions previously accepted under SELLER’s F-35 contracts, the SELLER shall submit a written request for approval to the BUYER prior to use or incorporation. The request for approval shall describe:

1. alternatives evaluated;
2. the benefit to the F-35 program for using the noncommercial technical data, noncommercial computer software, or noncommercial computer software documentation with less than Government Purpose Rights;
3. the name of the entity asserting less than Government Purpose Rights;
4. the basis for the assertion (per DFARS 252.227-7017), to include sufficient information to enable the BUYER to provide to the Contracting Officer to evaluate any listed assertions;
5. a Rough Order of Magnitude cost estimate to obtain a Government Purpose Rights license as defined in DFARS 252.227-7013 (Rights in Technical Data – Noncommercial Items) and DFARS 252.227-7014 (Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation).

BUYER shall provide timely notice of the Government’s response upon receipt from the Contracting Officer. Nothing in this clause precludes the Government from challenging any data rights assertions pursuant to DFARS 252.227-7019 or DFARS 252.227-7037.
