  - (1) The JSFPO has given prior written approval through LOCKHEED MARTIN;
  - (2) The information is otherwise in the public domain before the date of release; or
  - (3) The information is being released to associate contractors, subcontractors, suppliers, or vendors who require the information for execution of work under an F-35 Lightning II JSF contract.

The Seller shall submit the original and 1 copy of the information proposed for release to LOCKHEED MARTIN.

Where practicable, requests and the specific information may be provided to LOCKHEED MARTIN using an electronic medium appropriate for the security level of the information being transmitted. The Seller shall submit its request to LOCKHEED MARTIN at least 25 working days before the proposed date for release.

- (c) RESERVED
- (d) The Seller agrees to include a similar requirement in each subcontract or purchase order under this contract. Subcontractors, suppliers, and vendors shall submit requests for authorization to release through LOCKHEED MARTIN to the Government’s Public Affairs Officer.

**H-10 PRESERVATION OF RIGHTS FOR TECHNICAL DATA, COMPUTER SOFTWARE, AND COMPUTER SOFTWARE DOCUMENTATION ACCESSED, DELIVERED, OR PROVIDED ELECTRONICALLY**

Information, whether delivered pursuant to the Supplier Data Requirements List (SDRL) or provided in response to any other requirement contained in this contract, which would be deemed “technical data” under DFARS 252.227-7013, Rights in Technical Data–Noncommercial Items (JUN 2013), or “computer software” and “computer software documentation” under DFARS 252.227-7014, Rights in Noncommercial Computer Software and Noncommercial Computer Software Documentation (MAY 2013), if it were delivered in written form, shall not lose its status as technical data, computer software, or computer software documentation solely because access by the Government or LOCKHEED MARTIN, delivery by the Seller, or provision by the Seller is by electronic means. The rights of the parties shall be as specified in DFARS 252.227-7013 and DFARS 252.227-7014.

**H-13 NAVAIR 5252.227-9507 NOTICE REGARDING THE DISSEMINATION OF EXPORT-CONTROLLED TECHNICAL DATA (OCT 2005)** - (The following clause applies only to contracts where LOCKHEED MARTIN is acquiring non-commercial items).

- (a) Export of information contained herein, which includes release to foreign nationals within the United States, without first obtaining approval or license from the Department of State for items controlled by the International Traffic in Arms Regulations (ITARs), or the Department of Commerce for items controlled by the Export Administration Regulations (EAR), may constitute a violation of law.
- (b) For violation of export laws, the Seller, its employees, officials or agents are subject to:
  - (1) Imprisonment and/or imposition of criminal fines; and
  - (2) Suspension or debarment from future Government contracting actions.
- (c) Neither the Government nor LOCKHEED MARTIN shall be liable for any unauthorized use or release of export-controlled information, technical data or specifications in this contract.

**H-16 NAVAIR 5252.227-9511 DISCLOSURE, USE AND PROTECTION OF PROPRIETARY INFORMATION (FEB 2009)**

- (a) During the performance of this contract, the Government may use an independent services contractor (ISC), who is neither an agent nor employee of the Government. The ISC may be used to conduct reviews, evaluations, or independent verification and validations of technical documents submitted to the Government during performance.
- (b) The use of an ISC is solely for the convenience of the Government. The ISC has no obligation to LOCKHEED MARTIN or the Seller. The Seller is required to provide full cooperation, working facilities and access to the ISC for the purposes stated in paragraph (a) above.

(c) Since the ISC is neither an employee nor agent of the Government, any findings, recommendations, analyses, or conclusions of such a contractor are not those of the Government.

(d) The Seller acknowledges that the Government has the right to use ISCs as stated in paragraph (a) above. It is possible that under such an arrangement the ISC may require access to or the use of information (other than restricted cost or pricing data), which is proprietary to LOCKHEED MARTIN or Seller.

(e) To protect any such proprietary information from disclosure or use, and to establish the respective rights and duties of both the ISC and LOCKHEED MARTIN, the Seller will agree to enter into a direct agreement with any ISC, if required by the Government or LOCKHEED MARTIN. A properly executed copy (per FAR 9.505-4) of the agreement will be provided by LOCKHEED MARTIN to the Government's Procuring Contracting Officer.

#### **H-19 NAVAIR 5252.211-9510 CONTRACTOR EMPLOYEES (MAY 2011)**

(a) In all situations where Seller personnel status is not obvious, all Seller personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such contractor personnel are Government officials. This can occur during meeting attendance, through written (letter or e-mail) correspondence or verbal discussions (in person or telephonic), when making presentations, or in other situations where Seller status is not obvious to third parties. This list is not exhaustive. Therefore, the contractor employee(s) shall:

(1) Not by word or deed give the impression or appearance of being a Government employee;

(2) Wear appropriate badges visible above the waist that identify them as Seller's employees when in Government spaces, at a Government-sponsored event, or an event outside normal work spaces in support of the contract/order;

(3) Clearly identify themselves as Seller employees in telephone conversations and in all formal and informal written and electronic correspondence. Identification shall include the name of the company for whom they work;

(4) Identify themselves by name, their company name, the name of the prime contractor (LOCKHEED MARTIN) their company is supporting, as well as the Government office they are supporting when participating in meetings, conferences, and other interactions in which all parties are not in daily contact with the individual contractor employee; and

(5) Be able to provide, when asked, the full number of the contract/order under which they are performing, and the name of the Government Contracting Officer's Representative.

(b) If Seller's employees are wearing a badge that is a risk to safety and/or security, then an alternative means of identification maybe utilized if endorsed by the Government Contracting Officer's Representative and approved by the Government Contracting Officer through LOCKHEED MARTIN to the Seller.

(c) LOCKHEED MARTIN will make the final determination of compliance with regulations with regard to proper identification of contractor employees.

## H-27 PARTNERING WITH MILITARY SERVICE DEPOTS (MSD)

This clause is in accordance with Article 8.2 of the F-35 Lightning II Depot Partnering Agreement and applies to the Seller only if it has a Partnering Agreement under the Program with an MSD and the Seller is performing work for or on behalf of an MSD under this Contract.

**1. FAR Non-Applicability.** Pursuant to FAR 1.104, FAR Applicability, Partnering Agreements (PA) and Implementing Agreements (IA) between the Seller and Military Service Depots (MSD) are not subject to the FAR or any agency supplements thereto, because the FAR applies to contracts where the Government acts in its capacity as a buyer. No FAR and/or agency supplement flow down clauses shall apply to any PA/IA issued or to any other contractual vehicle placed by the Seller with an MSD providing a supply/service under this prime contract, except as may be expressly included by mutual consent of the Seller and the MSD.

a. **Non-Applicability of Advanced Payments.** Payments made by the Seller to the MSD, as required by the terms of the PA/IA, shall be considered to be incurred costs under the terms of this contract.

**2. TINA Non-Applicability.** The Truth in Negotiations Act, 10 USC Section 2306a, as amended, (hereinafter referred to as TINA) and its implementing regulations/clauses, do not apply to any MSD performing under this contract. Accordingly, the Government agrees:

a. The portion of the Seller's contract price that consists of costs relating to work performed by an MSD need not be supported by the submission of certified cost or pricing data and,

b. The absence of such certified data shall not form the basis, directly or indirectly, for a claim by the Government of defective pricing against the Seller.

**3. Release of Responsibility.** The Government agrees not to hold the Seller responsible, directly or indirectly, for the delay, non-performance, or other non-compliance of work required under this contract to the extent such delay, non-performance, or non-compliance is solely attributable, in accordance with the terms of the PA and IA, to the action or inaction of an MSD performing an IA related to the Seller's performance obligations under this contract.

a. **Equitable Adjustment.** Subject to the provisions of FAR 52.249-14, Excusable Delays, such delay, non-performance, or other non-compliance attributable to the MSD in performing such PA/IA, may be considered to be an excusable delay for the Seller or non-compliance for which an equitable adjustment in the performance period and/or cost/price of this contract may be provided by the Government to the Seller. Further, such delay, non-performance, or non-compliance determined to be solely attributable to the MSD under FAR 52.249-14, Excusable Delays shall not be used by the Government, in whole or in part, as the basis for termination for default or withholding of payments under this contract. Any disagreement with the Contracting Officer's final decision regarding an equitable adjustment is subject to the Disputes clause.

b. **Continued “Good Faith/Duty to Mitigate.”** This provision does not excuse the Seller from its requirement to continuously exercise good faith to effectively manage the MSD, if necessary, to perform the affected services itself or find a commercial sub-contractor to perform the services, and to fulfill its responsibilities under this contract and applicable PA/IA. Such efforts include reasonable corrective actions to mitigate the effects of the MSD’s non-compliance under this contract’s schedule and/or prices.

**FAR 52.232-32 PERFORMANCE-BASED PAYMENTS (VARIATION)**

**APRIL 2012**

(Applicable to the Seller only if under the contract LOCKHEED MARTIN will be making financing payments to the Seller in the form of performance based payments.)

- (a) Performance-based payments shall form the basis for contract financing payments, if such payments are provided under this contract. The Performance Based Payments schedule set forth in this Contract describes the basis for payment, to include identification of the individual payment events, evidence of completion, and amount of payment due upon completion of each event.
- (b) At no time shall cumulative performance-based payments exceed cumulative contract cost. To ensure compliance with this requirement, the SELLER shall, in addition to providing the information required by FAR 52.232-32 (Performance-Based Payments (APR 2012)), submit the required certificate, modified to include Item (6), as set forth below on or in conjunction with each invoice:

“I certify to the best of my knowledge and belief that—

- (1) This request for performance-based payment is true and correct; this request (and attachments) has been prepared from the books and records of the Contractor, in accordance with the contract and the instructions of LOCKHEED MARTIN;
- (2) (Except as reported in writing on \_\_\_\_\_[insert date if applicable]), all payments to subcontractors and suppliers under this contract have been paid, or will be paid, currently, when due in the ordinary course of business;
- (3) There are no encumbrances (except as reported in writing on \_\_\_\_\_[insert date if applicable]) against the property acquired or produced for, and allocated or properly chargeable to, the contract which would affect or impair the Government's title;
- (4) There has been no materially adverse change in the financial condition of the Contractor since the submission by the Contractor to LOCKHEED MARTIN of the most recent written information dated \_\_\_\_\_[insert date if applicable]; and
- (5) After the making of this requested performance-based payment, the amount of all payments for each deliverable item for which performance-based payments have been requested will not exceed any limitation in the contract, and the amount of all payments under the contract will not exceed any limitation in the contract.
- (6) **THE CUMULATIVE PERFORMANCE-BASED PAYMENTS REQUESTED AND PAID TO DATE DO NOT EXCEED CUMULATIVE COST INCURRED UNDER THIS CONTRACT.”**

(c) Costs-incurred are determined by the SELLER’s accounting books and records. LOCKHEED MARTIN intends to rely on the SELLER’s submission of cost-incurred information in processing invoices in order to facilitate prompt financing payments.

(d) Verification by LOCKHEED MARTIN of successful performance of each event, according to the criteria outlined in the Performance Based Payments schedule, is required prior to payment.
