DFARS 252.246-7000 MATERIAL INSPECTION AND RECEIVING REPORT (MAR 2008).
(Applicable for subcontracts that authorize direct shipments by the subcontractor to the Government.)

NAVAIR 5252.204-9504 DISCLOSURE OF CONTRACT INFORMATION (NAVAIR) (JAN 2007) (Communications with the Contracting Officer shall be made through Lockheed Martin. In paragraph (b), 10 days is changed to 20 days.)

(a) The Contractor shall not release to anyone outside the Contractor's organization any unclassified information (e.g., announcement of contract award), regardless of medium (e.g., film, tape, document), pertaining to any part of this contract or any program related to this contract, unless the Contracting Officer has given prior written approval.

(b) Requests for approval shall identify the specific information to be released, the medium to be used, and the purpose for the release. The Contractor shall submit its request to the Contracting Officer at least ten (10) days before the proposed date for release.

(c) The Contractor agrees to include a similar requirement in each subcontract under this contract. Subcontractors shall submit requests for authorization to release through the prime contractor to the Contracting Officer.

NAVAIR 5252.211-9510 CONTRACTOR EMPLOYEES (NAVAIR)(MAY 2011)

(a) In all situations where contractor personnel status is not obvious, all contractor personnel are required to identify themselves to avoid creating an impression to the public, agency officials, or Congress that such contractor personnel are Government officials. This can occur during meeting attendance, through written (letter or email) correspondence or verbal discussions (in person or telephonic), when making presentations, or in other situations where their contractor status is not obvious to third parties. This list is not exhaustive. Therefore, the contractor employee(s) shall:

(1) Not by word or deed give the impression or appearance of being a Government employee;

(2) Wear appropriate badges visible above the waist that identify them as contractor employees when in Government spaces, at a Government-sponsored event, or an event outside normal work spaces in support of the contract/order;

(3) Clearly identify themselves as contractor employees in telephone conversations and in all formal and informal written and electronic correspondence. Identification shall include the name of the company for whom they work;

(4) Identify themselves by name, their company name, if they are a subcontractor the name of the prime contractor their company is supporting, as well as the Government office they are supporting when participating in meetings, conferences, and other interactions in which all parties are not in daily contact with the individual contractor employee; and

(5) Be able to provide, when asked, the full number of the contract/order under which they are performing, and the name of the Contracting Officer's Representative.

(b) If wearing a badge is a risk to safety and/or security, then an alternative means of identification maybe utilized if endorsed by the Contracting Officer's Representative and approved by the Contracting Officer.

(c) The Contracting Officer will make final determination of compliance with regulations with regard to proper identification of contractor employees.

NAVAIR 5252.227-9507 NOTICE REGARDING THE DISSEMINATION OF EXPORT-CONTROLLED TECHNICAL DATA (NAVAIR) (OCT 2005) (Not applicable to Commercial Items as defined in FAR 2.101)

(a) Export of information contained herein, which includes release to foreign nationals within the United States, without first obtaining approval or license from the Department of State for items controlled by the International Traffic in Arms Regulations (ITARs), or the Department of Commerce for items controlled by the Export Administration Regulations (EAR), may constitute a violation of law.

(b) For violation of export laws, the contractor, its employees, officials or agents are subject to:

(1) Imprisonment and/or imposition of criminal fines; and

(2) Suspension or debarment from future Government contracting actions.

(c) The Government shall not be liable for any unauthorized use or release of export-controlled information, technical data or specifications in this contract.

(d) The contractor shall include the provisions or paragraphs (a) through (c) above in any subcontracts awarded under this contract.

NAVAIR 5252.227-9511 DISCLOSURE, USE AND PROTECTION OF PROPRIETARY INFORMATION (NAVAIR) (FEB 2009) (The term "prime contractor" means "Seller.")

(a) During the performance of this contract, the Government may use an independent services contractor (ISC), who is neither an agent nor employee of the Government. The ISC may be used to conduct reviews, evaluations, or independent verification and validations of technical documents submitted to the Government during performance.

(b) The use of an ISC is solely for the convenience of the Government. The ISC has no obligation to the prime contractor. The prime contractor is required to provide full cooperation, working facilities and access to the ISC for the purposes stated in paragraph (a) above.

(c) Since the ISC is neither an employee nor an agent of the Government, any findings, recommendations, analyses, or conclusions of such a contractor are not those of the Government.

(d) The prime contractor acknowledges that the Government has the right to use ISCs as stated in paragraph (a) above. It is possible that under such an arrangement the ISC may require access to or the use of information (other than restricted cost or pricing data), which is proprietary to the prime contractor.

(e) To protect any such proprietary information from disclosure or use, and to establish the respective rights and duties of both the ISC and prime contractor, the prime contractor agrees to enter into a direct agreement with any ISC as the Government requires. A properly executed copy (per FAR 9.505-4) of the agreement will be provided to the Procuring Contracting Officer.

NAVAIR 5252.228-9501 LIABILITY INSURANCE (NAVAIR) (MAR 1999) (Applies if Seller will be performing work on a Government installation.)

The following types of insurance are required in accordance with the clause entitled, FAR 52.228-5, "Insurance--Work on a Government Installation" and shall be maintained in the minimum amounts shown:

- (a) Comprehensive General Liability: \$[\$200,000] per person and \$[\$500,000] per accident for bodily injury.
- (b) Automobile Insurance: \$[\$200,000] per person and \$[\$500,000] per accident for bodily injury and \$[\$500,000] per accident for property damage.
- (c) Standard Workman's Compensation and Employer's Liability Insurance (or, where maritime employment is involved, Longshoremen's and Harbor Worker's Compensation Insurance) in the minimum amount of \$100,000.
- (d) Aircraft public and passenger liability: \$[\$200,000] per person and \$[\$500,000] per occurrence for bodily injury, other than passenger liability; \$[\$200,000] per occurrence for property damage. Passenger bodily injury liability limits of \$[\$200,000] per passenger, multiplied by the number of seats or number of passengers, whichever is greater.

NAVAIR 5252.232-9509 TRAVEL APPROVAL AND REIMBURSEMENT PROCEDURES (NAVAIR) (OCT 2013) - ALT I (Applicable to all subcontracts that will provide for reimbursement of travel and other costs covered by this clause. Not applicable to Commercial Items as defined in FAR 2.101)

- (a) General. Performance under this contract may require travel by Contractor personnel. If travel, domestic or overseas, is required, the Contractor is responsible for making all necessary arrangements for its personnel. These include but are not limited to: medical examinations, immunizations, passports/visas/etc., and security clearances.
- (b) Travel Approval Process. No prior approval is required for travel under this contract.
- (c) Travel Policy.
 - (1) Travel arrangements shall be planned in accordance with the Federal Travel regulations, prescribed by the General Services Administration for travel in the conterminous 48 United States, (hereinafter the FTR) and the Joint Travel Regulation, Volume 2, DoD Civilian Personnel, Appendix A, prescribed by the Department of Defense (hereinafter the JTR).
 - (2) The Government will reimburse the Contractor for allowable travel costs incurred by the Contractor in performance of the contract in accordance with FAR Subpart 31.2.
 - (3) For purposes of reimbursement of travel expenses, the Contractor's official station is defined as within 50 miles of the Contractor's regular work site. (If Contractor has more than one regular work site, the official station is defined as within 50 miles of each of its regular work sites.)
 - (4) The Contractor's documentation for the reimbursement of travel costs (e.g., receipts) shall be governed as set forth in FAR Subpart 31.2, the FTR, and the JTR.
 - (5) Car Rental for a team on temporary duty (TDY) at one site will be allowed provided that only one car is rented for every four (4) members of the TDY team. In the event that less than four (4) persons comprise the TDY team, car rental will be allowed if necessary to complete the mission required.
 - (6) Whenever work assignments require TDY aboard a Government ship, the Contractor will be reimbursed at the per diem identified in the JTR.

NAVAIR 5252.232-9529 INCURRED COST REPORTING AND PROGRESS REPORTING FOR SERVICES (NAVAIR) (JUN 2014) (Not applicable to Commercial Items as defined in FAR 2.101)

The following applies to the prime contractor and all subcontractors. If desired, a subcontractor may directly submit the required documentation in accordance with contract CDRL [insert appropriate CDRL number]. When a subcontractor submits directly to the Government, the prime contractor shall highlight the subcontractor costs to be directly submitted to the Government.

(a) **General:** The contractor shall provide supporting documentation as a supplement to each invoice submitted for payment in accordance with the requirements of this clause and CDRL [insert appropriate CDRL number]. This documentation shall include the elements outlined below and, at a minimum, be submitted jointly with the invoice.

(b) **Incurred Costs:** For cost reimbursable service contracts and for cost reimbursable contract line items for or related to services, the contractor shall segregate costs incurred and utilize the data tables outlined in attachment [insert appropriate contract attachment number] to provide the detail required below. The total of all cost elements below shall match the applicable invoiced amount(s). If a particular element is not applicable or there are no costs associated to a particular element, the tables shall state "Not Applicable." Documentation required herein that is not reported as part of the data tables shall be included as a separate attachment or otherwise made available for review in a location accessible to the Government with notification of this location provided to the Procuring Contracting Officer.

(1) **Summary:** An incurred cost summary shall be reported by completing the "Header" and "Invoice Summary" tabs included in attachment [insert appropriate contract attachment number].

(2) **Labor:** Incurred costs for labor shall be reported by completing the "Invoiced Labor" tab, and, if applicable, the "If Individuals>Hourly Tripwire" tab included in attachment [insert appropriate contract attachment number]. Additional information regarding individual labor categories and fully burdened labor rates shall be provided upon request.

(3) **Other Direct Costs (ODCs), including Travel and Material:** Total fully burdened other direct costs shall be reported by completing the "Invoice Summary" tab included in attachment [insert appropriate contract attachment number]. In addition, an itemized listing of the unburdened other direct charges, including travel and material, shall be provided. For material greater than \$3,000, the invoice number, date, total amount, company, purchase order number, and description of each item shall be documented. For travel, the dates, destinations, names of individuals traveling, purpose and total cost shall be documented. A copy of the travel voucher with accompanying receipts shall be provided upon request. For material less than \$3,000, supplemental data shall be provided upon request. The following statement regarding ODCs and Labor shall also be included, if applicable: "No fee has been applied to ODCs, and the applicable fee and pass through rate do not exceed those identified in NAVAIR Clause 5252.215-9512, Saving Clause."

NAVAIR 5252.247-9508 PROHIBITED PACKING MATERIALS (NAVAIR) (JUN 1998)
(Applicable if the subcontractor will be making shipments directly to the Government.)

The use of asbestos, excelsior, newspaper or shredded paper (all types including waxed paper, computer paper and similar hydroscopic or non-neutral material) is prohibited. In addition, loose fill polystyrene is prohibited for shipboard use.

NAVAIR 5252.247-9509 PRESERVATION, PACKAGING, PACKING AND MARKING (NAVAIR) (JUL 1998) (Applicable if the subcontractor will be making shipments directly to the Government.)

(a) Preservation, packaging and packing shall conform to prevailing industry standards for the type of commodity purchased under this contract.

(b) All packages will be clearly marked with applicable contract number/delivery order number, and will contain appropriate packing slip. All deliveries will be marked for and/or consigned as follows:

(Specific Instructions To Be Determined Upon Contract Award)

(c) In the event of any discrepancy in material shipped (overage, technical rejection, damage), the contractor shall, immediately upon request of the Contracting Officer, furnish disposition instructions. Normally, such disposition instruction shall be a properly completed Commercial Bill of Lading, which includes, but is not limited to, the mode of shipment, routing, special handling, and so forth.

(d) If the contractor is required to install equipment upon delivery, then the contractor shall inform the Government of the date of shipment from the contractor's facilities and the anticipated date of arrival at the site. This report shall be made no later than the actual date that the shipment is made from the contractor's facilities. The report may be made by facsimile or e-mail, to the point of contact listed in Section G. All transportation, rigging, drayage, packing, unpacking, and handling necessary to accomplish the installation shall be the responsibility of the contractor.

NAVAIR 5252.247-9510 PRESERVATION, PACKAGING, PACKING AND MARKING FOR FOREIGN MILITARY SALES (FMS) REQUIREMENTS (NAVAIR)(OCT 2005) (Applicable if the subcontractor will be making shipments directly to the Government.)

(a) Unless specified elsewhere in the contract, packing and packaging shall comply with MIL-STD-129 and other applicable DoD regulations. Packing and packaging materials shall provide protection from abuse during handling and from environmental, magnetic, and electrical damage during handling and subsequent future storage, possibly under less than desirable conditions.

(b) Marking: All unit and exterior containers/packs shall as a minimum be marked as follows:

- (1) FMS Case Number.
- (2) Part Number (with CAGE Code).
- (3) For - the organization/address the material is shipped to.
- (4) The applicable MILSTRIP number (identified separately for each line item of the contract/delivery order)
- (5) Project Code number.
- (6) Project Directive Line Item (PDLI) Number.
- (7) Requisition Serial Number (RSN).
- (8) Quantity.
- (9) From - the contractor's address shipped from.
- (10) Ship to - the shipping address provided in the contract.
- (11) Transportation Priority
- (12) Required Delivery Date

(c) The contractor shall affix labels to the outside of each external pack warning all handlers that fragile, delicate, etc., equipment is contained within and to warn against particular improper handling and storage procedures/conditions as may be applicable to the item(s) ordered.

H-18 PROPULSION SYSTEM INTEGRATION (Applicable to all subcontractors who have a role in the integration of the propulsion system into the JSF Air System and management of JSF Propulsion System processes as they relate to the JSF Air System.)

The following clause is included in the Air System Contractor (ASC) and Propulsion System Contractor (PSC) contracts to establish the roles and responsibilities for all parties concerning integration of the propulsion system into the JSF Air System and management of JSF Propulsion System processes as they relate to the JSF Air System.

Any Associate Contractor Agreement to which the Contractor is a party shall be consistent with facilitating the Contractor's obligations under this clause.

(a) The ASC shall:

- (1) ensure successful JSF Propulsion System Integration and installation of the propulsion system with the Air System;
- (2) ensure successful integration of the JSF Propulsion System and propulsion sustainment systems into the Autonomic Logistics Information System,
- (3) align logistics support system resources to support JSF Propulsion System requirements,
- (4) ensure necessary JSF Propulsion System Autonomic Logistics Data Flows and Air Vehicle and Autonomic Logistics Information System Functionality,
- (5) works with the PSC to meet the overall performance of the JSF GFE propulsion system and propulsion sustainment systems meet all requirements defined in this contract and to integrate and install JSF Propulsion Systems and propulsion sustainment systems into the production Air System, including support of the logistics support system requirements allocation process,
- (6) prepare and coordinate Major Variance Requests (MVRs) and Engineering Change Proposals (ECPs) with the PSC and JPO,
- (7) review MVRs and ECPs provided by the PSC and identify and notify the PSC and JPO of any impacts to the JSF Air system, and
- (8) update the documents identified in paragraph (c)(4) as appropriate.

(b) The PSC shall (but the ASC is not responsible for):

- (1) coordinate and cooperate with the ASC concerning JSF Propulsion System Integration and installation of the propulsion system with the Air System,
- (2) coordinate and cooperate with ASC concerning successful integration of the JSF Propulsion System and propulsion sustainment systems into the Autonomic Logistics Information System,
- (3) coordinate and cooperate with ASC concerning alignment of logistics support system resources to support JSF Propulsion System requirements,
- (4) coordinate and cooperate with ASC to ensure development of systems that ensure necessary JSF Propulsion System Autonomic Logistics Data Flows, and Air Vehicle and Autonomic Logistics Information System Functionality, including delivery of necessary JSF Propulsion System sustainment and configuration management data in proper formats necessary for ALIS functionality
- (5) coordinate and cooperate with the ASC to ensure the overall performance of the JSF Propulsion System and propulsion sustainment systems meet all requirements defined in this contract and work with the ASC to integrate and install JSF Propulsion System and propulsion sustainment systems into the production Air System, including support of the logistics support system requirements allocation process,
- (6) prepare and coordinate Major Variance Requests (MVRs) and Engineering Change Proposals (ECPs) with the ASC and JPO,
- (7) review MVRs and ECPs provided by the ASC and identify and notify the ASC and JPO of any impacts to the JSF Propulsion System, and
- (8) support ASC efforts to update the documents identified in paragraph(c)(4).

(c) The ASC and PSC shall:

- (1) participate on the JSF Propulsion IPT to cooperatively identify, manage, and resolve air system and propulsion system anomalies associated with development, production, installation, operation, and sustainment of the JSF Propulsion Systems in the JSF Air System,

- (2) participate in Program reviews, IPT reviews, and working groups between the ASC and PSC. Provide timely notification and recommendation to the JPO to mitigate production and sustainment risks resulting from schedule, technical, logistics or resource complications identified during these meetings,
- (3) coordinate between the ASC, PSC, and the JPO to generate annual ASC LRIP Ground rules and Assumptions (GR&As) that specify JSF Propulsion System DD250 and JSF Air System delivery dates, as well as other JSF Propulsion System Integration requirements for development, production, installment, operational, and sustainment activities.
- (4) comply with the following documents describing management policies, issue resolution procedures, and integration and contract responsibilities:
 - (i) Propulsion System Management Plan (PSMP), 2YPA00001-0001 dated 27 Feb 2002,
 - (ii) Propulsion System Integration Associate Contractor Agreement (ACA) for the F-35 Joint Strike Fighter Low Rate Initial Production, dated 5 Oct 2005, and
 - (iii) Sustainment Performance Management (SPM) Plan, dated July 2011.

General

2. The following general provisions apply:

- a) The Officer in Charge shall provide such available administrative and technical facilities for the Contractor's Representatives employed at UK Government Establishments for the purpose of the Contract as may be necessary for the effective and economical discharge of work under the Contract. These

facilities will be provided free of charge unless otherwise stated in the Contract. The status to be accorded to the Contractor's Representatives for messing purposes will be at the discretion of the Officer in Charge.

b) Any land or premises (including temporary buildings) made available to the Contractor by the Government in connection with the Contract shall be made available to the Contractor free of charge, unless otherwise stated in the Contract, and shall be used by the Contractor solely for the purposes of performing the Contract. The Contractor shall have the use of such land or premises as licensee and shall vacate the same upon completion of the Contract.

c) The Contractor shall have no claim against the Government for any additional cost or delay occasioned by the closure for holidays of UK Government Establishments, where this is made known to him prior to entering into the Contract.

Liability In Respect Of Damage To Government Property

3. Without prejudice to the provisions of DEFCON 611 (Issued Property) and of DEFCON 612 (Loss of or Damage to the Articles), where those conditions form part of the Contract, the Contractor shall, except as otherwise provided for in the Contract, make good or, at the option of the Government, pay compensation for all damage occurring to any Government Property, which includes land or buildings, occasioned by the Contractor, or by any of his Representatives, arising from his or their presence on a UK Government Establishment in connection with the Contract, provided that this Condition shall not apply to the extent that the Contractor is able to show that any such damage was not caused or contributed to by any circumstances within his or their reasonable control.

4. The total liability of the Contractor under Clause 3 herein shall be £50,000,000

Contractor's Property

5. All property of the Contractor and his Representatives shall be at the risk of the Contractor whilst it is on any UK Government Establishment, and the Government shall accept no liability for any loss or damage howsoever occurring thereto or caused thereby, except as follows:

a) where any such loss or damage was caused or contributed to by any act, neglect or default of any Government Servant, agent or contractor then the Government shall accept liability therefor to the extent to which such loss or damage is so caused or contributed to as aforesaid; and

b) where any property of the Contractor has been taken on charge by the Officer in Charge, and a proper receipt has been given therefor, then the Government shall be liable for any loss or damage occurring to that property while held on such charge as aforesaid.

Contractor's Representatives

6. The Contractor shall submit in writing to the Government for approval, initially and as necessary from time to time, a list of those of his Representatives who may need to enter a UK Government Establishment for the purpose of, or in connection with, work under the Contract, giving such particulars as the Government may require, including full details of birthplace and parentage of any such Representative who:

a) was not born in the United Kingdom; or

b) if he was born in the United Kingdom, was born of parents either or both of whom were not born in the United Kingdom.

7. The Government shall issue passes for those Representatives who are approved by it in accordance with Clause 6 herein for admission to a UK Government Establishment and a Representative shall not be admitted unless in possession of such a pass. Passes shall remain the property of the Government and shall be surrendered on demand or on completion of the work.

8. Notwithstanding the provisions of Clauses 6 and 7 hereof if, in the opinion of the Government, any Representative of the Contractor shall misconduct himself, or it shall not be in the public interest for any person to be employed or engaged by the Contractor, the Contractor shall remove such person without delay on being required to do so and shall cause the work to be performed by such other person as may be necessary.

9. The decision of the Government upon any matter arising under Clauses 6 to 8 inclusive shall be final and conclusive.

Observance Of Regulations

10. The following provisions apply:

a) The Contractor shall ensure that his Representatives have the necessary probity (by undertaking the Government's Baseline Personnel Security Standard) and, where applicable, are cleared to the appropriate level of security when employed within the boundaries of a UK Government Establishment.

b) Where the Contractor requires information on the Government's Baseline Personnel Security Standard (the Standard) or security clearance for his Representatives or is not in possession of the relevant rules, regulations or requires guidance on them, he shall apply in the first instance to the Project Manager/Equipment Support Manager.

c) On request, the Contractor shall be able to demonstrate to the Government that the Contractor's processes to assure compliance with the standard have been carried out satisfactorily. Where that assurance is not already in place, the Contractor shall permit the Government to inspect the processes being applied by the Contractor to comply with the Standard.

d) The Contractor shall comply and shall ensure that his Representatives comply with the rules, regulations and requirements that are in force whilst at that Establishment which shall be provided by the Government on request.

e) When on board ship, compliance with the rules, regulations, and requirements shall be in accordance with the Ship's Regulations as interpreted by the Officer in Charge. Details of those rules, regulations and requirements shall be provided on request by the Officer in Charge.
