**H-2 CONCURRENCY MANAGEMENT**

(a) The JSF production effort under the Low Rate Initial Production (LRIP) Prime Contract is occurring at the same time as, or concurrently with, the System Development and Demonstration (SDD) program. Due to this concurrency, the LRIP production configuration of the JSF Air System may evolve or change as the design matures and systems are tested and qualified during SDD development testing. LOCKHEED MARTIN, in its prime contract with the US Government, is responsible for incorporating concurrency related changes into the LRIP production Air Systems. The purpose of this clause is to describe SELLER's responsibility to support LOCKHEED MARTIN in incorporating concurrency related changes into LRIP production.

(b) Definitions.

Concurrency Change – Changes to the LRIP 3 production baseline Air System hardware or software resulting from SDD design maturation process which require incorporation into the LRIP Air System in order to meet contract capability or the JSF Air System Contract Specification.

Concurrency Change Plan – Action required by LOCKHEED MARTIN to implement a Concurrency Change into the LRIP production Air System.

Configuration Management Plan ("CM") 2YZA00017 Rev C, incorporated herein by reference, Section 4.1– Describes the requirements for addressing the concurrency management process.

Pre-Acceptance Concurrency Action – Incorporation of a Concurrency Change prior to acceptance of SELLER's Item.

Post-Acceptance Concurrency Action – Incorporation of a Concurrency Change after acceptance of SELLER's Item via a post-delivery installation kit.

(c) SELLER Responsibility to Support and Incorporate Concurrency Related Changes.

1. Material or Workmanship Deficiencies: Concurrency Changes do not include material and workmanship deficiencies. SELLER is obligated to correct material or workmanship deficiencies in accordance with the terms of the Contract.

2. For any Concurrency Change that does not involve a deficiency in material or workmanship, SELLER will support the LM Concurrency process by a Not to Exceed (NTE) proposal for the recurring effort, as delineated in CM 2YZA00017 Rev C. In the event LOCKHEED MARTIN and its Customer agree to proceed with incorporation of the Concurrency Change, whether by Pre-Acceptance Concurrency Action or Post-Acceptance Concurrency Action, LOCKHEED MARTIN will notify SELLER and SELLER will incorporate the Concurrency Change into LRIP production. Cost and schedule impacts of the Concurrency Change will be negotiated between the Parties consistent with SELLER's NTE proposal. In no event will a Concurrency Change action under this provision exceed the Truth in Negotiation Act (TINA) threshold. For any action that exceeds the TINA threshold, the Parties will proceed as delineated in the Changes clause of this Contract. Whether any change to the LRIP baseline is a Concurrency Change will be determined by LOCKHEED MARTIN.

3. For purposes of Concurrency Changes hereunder, non-recurring costs are borne under the SDD contract pursuant to the term of that contract.

**H-3 ALTERNATIVE DISPUTE RESOLUTION**

Alternative Dispute Resolution is the preferred approach for settling Purchase Order disputes. Accordingly, the parties confirm their mutual commitment to consider the use of Alternative Dispute Resolution (ADR) processes to avoid or resolve disputes under this Purchase Order. Notwithstanding the foregoing, nothing herein limits the parties' rights and remedies under the "Disputes" clause in Section I of this Purchase Order.

**H-4 5252.216-9501 SEGREGATION OF COSTS (OCT 2005) (NAVAIR) (Applicable to Long Lead Items only.)**

SELLER shall segregate all costs incurred under this Purchase Order from the costs of all other work currently being performed and from all contracts that are subsequently received.

**H-6 MANAGEMENT OF SUPPLIERS**

Notwithstanding any direction to the contrary herein, SELLER is required under this Purchase Order to manage any and all lower tier subcontractors. SELLER shall not use a subcontractor's status as an agreed or directed source as a performance excuse or basis for equitable adjustment.

**H-7 GOVERNMENT PROPERTY FOR THE PERFORMANCE OF THIS CONTRACT (COST-REIMBURSEMENT) (MAR 2008)**

In the event SELLER's Information Security Assurance processes do not adequately protect the data or information, LOCKHEED MARTIN shall have the right to deny or revoke SELLER's access to any or all LOCKHEED MARTIN computing system(s). Denial or revocation of access to any or all LOCKHEED MARTIN computing system(s) shall not alter or change SELLER's obligations under this Contract.

(e) The rights and remedies available to LOCKHEED MARTIN in this paragraph are in addition to any other rights and remedies provided in this Purchase Order, any Proprietary Information Agreement between the parties, at law or in equity.
