Details on how to register under the CGP are available at: http://www.cgp.gc.ca.

1.2 When any SUBCONTRACTOR proposed to examine, possess or transfer controlled goods is not registered, exempt or excluded under the CGP at time of contract award, the SUBCONTRACTOR shall, within seven (7) working days from receipt of written notification of the contract award, ensure that the required application(s) for registration or exemption are submitted to the CGP. No examination, possession or transfer of controlled goods shall be performed until the SUBCONTRACTOR has provided proof, satisfactory to LOCKHEED MARTIN, that the SUBCONTRACTOR is registered, exempt or excluded under the CGP.

Failure of the SUBCONTRACTOR to provide proof, satisfactory to the LOCKHEED MARTIN, that the SUBCONTRACTOR is registered, exempt or excluded under the CGP, within thirty (30) days from receipt of written notification of contract award, shall be a default under the Contract except to the extent that Canada is responsible for the failure due to delay in processing the application.

1.3 Any SUBCONTRACTOR must maintain registration, exemption or exclusion from the CGP for the duration of the Contract and in any event for so long as they will examine, possess or transfer controlled goods.

2.0 PLANT ACCESS

2.1 LOCKHEED MARTIN or an authorized representative shall have access to the SUBCONTRACTOR’S plant or premises where the work is being performed during usual business hours and subject to reasonable advance notice to the SUBCONTRACTOR.

The Quality Assurance Authority representative shall have access at all times to the plant or premises where the Work is being performed, subject to limitations and restrictions as may be deemed necessary by the SUBCONTRACTOR.

4.0 SITE REGULATIONS

It is a condition of this Contract that the SUBCONTRACTOR not supply to LOCKHEED MARTIN any goods or services which are subject to economic sanctions.

By law, the SUBCONTRACTOR must comply with changes to the regulations imposed during the life of the Contract, subject to restrictions or limitations as may be imposed by U.S. law or regulation. During the performance of the Contract, should the imposition of sanctions against a country or person or the addition of a good or service to the list of sanctioned goods or services cause an impossibility of performance for the SUBCONTRACTOR, the situation will be treated by the Parties as an excusable delay. The SUBCONTRACTOR shall forthwith inform LOCKHEED MARTIN of the situation.

6.0 TIME AND NOTICE OF DELIVERY

6.1 LOCKHEED MARTIN is to be notified in writing thirty (30) calendar days in advance by the SUBCONTRACTOR, either by electronic mail (e-mail) or by facsimile, of when Vendor Direct Shipment (VDS) items will be presented to LOCKHEED MARTIN for acceptance.
