Seller further agrees that, except to the extent Buyer's rights are limited by the terms of an incorporated clause, the rights of the Government in such clauses may also be exercised by or through Buyer, as required in connection with the performance of the prime contract, and "Government" in such clauses shall be so construed. - (b) Minimum Rights in Data, Computer Software, and Computer Software Documentation.

Rights in technical data, computer software, and computer software documentation shall be as specified in the clauses incorporated by reference through subparagraph (a) or as specified elsewhere in this PO. If, however, neither the clauses incorporated by reference through subparagraph (a) nor other provisions of this PO address the rights to be provided by Seller as to particular technical data, computer software, or computer software

documentation, then such technical data, computer software, and computer software documentation furnished by Seller under this PO shall be, at a minimum, provided with the following rights:

- (1) As to other than commercial items: technical data furnished by Seller under this PO shall be provided with "Unlimited Rights" as that term is defined in DFARS 252.227-7013 (Nov 1995), which is incorporated in this PO by reference for purposes of this subparagraph (b)(1).
 - (2) As to other than commercial computer software, and other than commercial computer software documentation: computer software and computer software documentation furnished by Seller under this PO shall be provided with "Unlimited Rights" as that term is defined in DFARS 252.227-7014 (June 1995), which is incorporated in this PO by reference for purposes of this subparagraph (b)(2).

 - (4) As to commercial computer software, and commercial computer software documentation: commercial computer software and commercial computer software documentation furnished by Seller under this PO shall be, at a minimum, provided with the rights customarily provided to the public.
- (c) Barred Software. Seller, unless it has obtained Buyer's prior written consent, which Buyer may withhold in Buyer's sole discretion, shall not provide Buyer with software that incorporates or embeds software in, or uses software in connection with, as part of, bundled with, or alongside any:
- (1) open source, publicly available, or "free" software, library or documentation;
 - (2) software licensed under the General Public License ("GPL") or Lesser/Library GPL, the Artistic License (e.g., PERL), the Mozilla Public License, the Netscape Public License, the Sun Community Source License, the Sun Industry Standards License, or variations thereof, including without limitation licenses referred to as "GPL-Compatible, Free Software License" (hereinafter referred to as the "Barred Licenses"); or,
 - (3) software provided under a license that:
 - (A) subjects the provided software to any of the Barred Licenses;

(B) requires the provided software to be licensed for the purpose of making derivative works or be redistributable at no charge; or,

(C) obligates Buyer to sell, loan, distribute, disclose or otherwise make available or accessible to any third party(ies);

(i) the provided software or any portion thereof, in object code and/or source code formats; or,

(ii) any products incorporating the provided software, or any portion thereof, in object code or source code formats.

At Buyer's request, Seller shall furnish to Buyer certificates from Seller's and/or its subcontractors' insurers showing such coverage in effect and agreeing to give Buyer ten (10) days' prior written notice of cancellation of such coverage. Seller agrees to obtain the insurance coverage listed above whether or not insurance coverage is required elsewhere in this PO.

14. Amendments Required by the Prime Contract

Seller agrees that upon Buyer's request, it will from time to time enter into amendments of this PO to incorporate additional provisions herein or to change the provisions hereof, as Buyer may reasonably deem necessary in order to comply with the provisions of the prime contract(s) or with the provisions of amendments to the prime contract(s) under which this PO is issued. If any such amendment to this PO causes an increase or decrease in the cost of this PO, or the time required for performance of this PO, an equitable adjustment shall be made in the price or delivery schedule, or both, in accordance with the provisions of this PO's "Changes" clause.

15. Remedies/Waiver

- (a) The rights and remedies provided herein shall be cumulative and in addition to any other rights and remedies provided at law or in equity.
- (b) Failure by Buyer either to enforce at any time the provisions hereof or to protest at any time any breach or default hereof shall not be construed as evidence to interpret the requirements of this PO, nor as a waiver of the requirements of such provisions, nor of the right of Buyer thereafter to enforce each and every such provision. Buyer's approval of documents shall not relieve Seller from compliance with specifications related to this PO.

16. Assignment

Seller shall not assign any of its rights under this PO without the prior written consent of Buyer, except that claims for monies due or to become due under this PO may be assigned by Seller without such consent to a bank, trust company or other financing institution, including any Federal lending agency. Seller shall furnish Buyer with two signed copies of any such assignment. Payment to an assignee of any such claim shall be subject to set-off or recoupment for any present or future claim or claims which Buyer may have against Seller. 23. Packing, Shipment and Shipping Instructions

- (a) Unless otherwise specified by Buyer, Seller shall assure that all packing and packaging shall comply with good commercial practice and applicable carrier's tariffs.
