

In preparation for your visit, please find below additional information regarding parking and Metro accessibility to Lockheed Martin's Global Vision Center.

The Lockheed Martin GVC is conveniently located in Crystal City, Arlington Va. Crystal City boasts a unique collection of transportation assets that includes Ronald Reagan Washington National Airport, a Virginia Railways Express Station, direct access to the yellow and blue lines of the Metropolitan Washington Metro Rail system, numerous regional bus connections, easy access to area highways, and a direct connection to the region's premier bicycle commuting route, the Mount Vernon Trail.

PARKING:

Parking for the GVC, located at 2121 Crystal Drive Arlington, VA, is available underneath the building. **Enter the parking garage at the intersection of 23rd St. and Crystal Drive or 20th St. and Crystal Drive.**

Once you have entered the garage, proceed to the "Yellow" parking section. Please park your vehicle near the elevator bank and then take the elevator to the lobby level. The Lockheed Martin GVC is located directly adjacent to the elevator bank, through the glass doors.

Please note that limited reserved parking, in front of the building, is available on a case-by-case basis for non-government officials only. If a space is available, your GVC Event Planner can help arrange this for you. Unfortunately, the GVC staff is unable to obtain garage parking discount for groups or events.

If your vehicle does not fit in the garage, there is overflow parking (a gravel lot) located behind 2451 Crystal Drive. This lot is accessible via the service road behind the Crystal Parks buildings off 20th Street or 26th Street. Please visit the PMI office (phone 703-842-2971) on the ground floor along the corridor of 2345 Crystal Drive and obtain a parking pass from the PMI attendant for \$10.00 per day.

Parking Garage Hours: 6:00 a.m. – 12:00 a.m. (Monday – Friday)

Parking Rates:

- \$6.00 for 1 hour
- \$11.00 for 2 hours
- \$21.00 for 3 hours to close (maximum)

****Weekdays after 4:30 p.m. and all day Saturday and Sunday, parking is free. You will still need to get a ticket at the entrance gate to use to exit the garage.**

METRO DIRECTIONS: [METRO MAP.](#)

The Crystal City Metro Station is located beneath 241 18th Street S. and provides a direct and speedy link to downtown Washington, D.C., on the Yellow and Blue Lines. To access the GVC, once you arrive at the Crystal City Metro Station, please walk through the underground corridor to the South Clark Place/23rd Street entrance. Once at the street level, 2121 Crystal Drive (the LM GVC) is located directly across the street, between Chipotle and Cosi. Plan your trip at www.wmata.com.
