

Transportation Center for Leadership Excellence

Guests are encouraged to use public transportation or shared vehicles whenever possible to reduce environmental impact and cost to the corporation. The CLE offers complimentary shuttle service to the DC Metro rail, dining and shopping on Bethesda row and the Montgomery Mall, and rental car pick-up.

Arriving at the CLE

The CLE is located on the Corporate Headquarters (CHQ) campus. When arriving at the CLE via car service or personal vehicle, please use the 6801 Rockledge Drive Bethesda, Md address. Upon arrival, please present a photo identification at the security guardhouse. If you do not have a Lockheed Martin employee badge, follow the guard's instructions to obtain a visitor badge in the CLE lobby. The guard will direct you to park in the CLE garage and take the elevator to the 1st floor--CLE lobby.

Due to security requirements, taxis are not permitted on the Corporate Headquarters campus. To ensure a timely and comfortable arrival, we recommend that you use a pre-arranged car service. Contact information for local providers is listed below.

When arriving at the CLE via public transportation (i.e. walking onto the campus grounds), please use the 6777 Rockledge Drive entrance and present your Lockheed Martin employee badge at the Security Station. Please wear your ID badge at all times while visiting the CLE.

Departing to Local Attractions or Airports

Please contact the Concierge or Front Desk staff to arrange car or shuttle service to local attractions or airports. If you have made your own travel arrangements, please provide the Concierge or Front Desk staff with the driver name or transportation company, date and approximate time of pickup to ensure that your transportation service has authorized access to the Corporate Campus. While car service vehicles are allowed on campus, taxis are not – if you choose to depart by taxi, pick-up is only allowed at the street. Please remember to take your Security-issued ID badge with you when leaving the Corporate Campus to ensure timely reentry.
