1LMX Supplier Welcome Packet

Welcome to 1LMX

We are pleased to have you onboarded to Lockheed Martin's 1LMX Applications. The intention of this welcome package is to offer you a singular place to learn about how to access each of the 1LMX tools.

What is 1LMX?

- 1LMX is our mission-driven business and digital transformation program, in which we're transforming our end-to-end business processes and systems and creating a model-based enterprise with a fully integrated digital thread throughout the product lifecycle.
- Visit this site to learn more about 1LMX: https://www.lockheedmartin.com/en-us/capabilities/digital-transformation.html
