Ways We Are Rising Up Together- Stronger

Rising Up to Support Securing Personal Protective Equipment

Through our supply chain, which includes small businesses, we have obtained Personal Protective Equipment (PPE) for urgent needs. Lockheed Martin is also providing engineering support for select initiatives to accelerate production of PPE.

Resource Spotlight

Small Business Administration Webinar

On April 30, Lockheed Martin hosted a webinar with the Small Business Administration for small business suppliers. Suppliers had the rare opportunity to ask questions and hear from [Steve Bulger, SBA Regional Administrator](#).

Addressing Personal Protective Equipment

Federal Emergency Management Agency (FEMA) issued guidance summarizing how organizations should consider and manage their Personal Protective Equipment (PPE) needs while ensuring the protection of workers during the coronavirus (COVID-19) pandemic response.

Fueling New Ways to Rise

New Small Business Webinar

In our effort to provide opportunities for our small business suppliers to connect with key government agencies and industry affiliation partners, the following is an opportunity you don't want to miss.

Mr. Jimmy D. Smith

Director, Office of Small Business Programs from the Department of the Navy

May 13, 2020

11 a.m. - 12 p.m. ET
