Ways We Are Rising Up Together – Stronger

A Sustained Focus on a Safe Work Environment

With the increase of COVID-19 cases in the U.S. we are reminded how we all play a role in protecting employees and suppliers. On July 14, Lockheed Martin reached out to all active suppliers as a [reminder to adhere to all COVID-19 Reporting Protocol and U.S. Facility Guidelines](#).

Together, we can ensure a safe work environment.

Resource Spotlight

NASA Webinar

As part of the Lockheed Martin Rise Up webinar series, you are invited to an exclusive interview with National Aeronautics and Space Administration (NASA) Office of Small Business Programs (OSBP) Associate Administrator Glenn A. Delgado, to discuss the impact of COVID-19 on NASA contracting and acquisition and how the agency is operating and supporting small businesses during these challenging times. In addition, you can learn about NASA's small business program and current and upcoming procurement opportunities in support of agency missions.

Monday, July 27, 2020, at 1 p.m. EDT (Duration: 1 Hour)

SBA Paycheck Protection Program

The Paycheck Protection Program resumed accepting applications July 6, 2020, at 9 a.m. EDT in response to President's signing of the program's extension legislation. The new deadline to apply for a Paycheck Protection Program loan is August 8, 2020. Learn more on the [SBA website](#).

More Ways to Rise Up

Seeking Suppliers with COVID-19 Best Practices to Share

As a small business supplier, have you discovered best practices during COVID-19 that you want to share? We are hoping to pull together a panel of small business suppliers for a future Rise Up webinar. [Contact us](#) if you are interested in participating.

The latest information is available on the Lockheed Martin [COVID-19 Supplier webpage](#).
