NOTES

1. Substitute "LOCKHEED MARTIN" for "Government" or "United States" as applicable throughout this clause.
2. Substitute "LOCKHEED MARTIN Procurement Representative" for "Contracting Officer", "Administrative Contracting Officer" and "ACO" throughout this clause.
3. Insert "and LOCKHEED MARTIN" after "Government" or "Contracting Officer", as appropriate, throughout this clause.
4. Insert "or LOCKHEED MARTIN" after "Government" throughout this clause.
5. Communication/notification required under this clause from/to the CONTRACTOR to/from the Contracting Officer shall be through LOCKHEED MARTIN.
6. "Contracting Officer" shall mean the U.S. Government Contracting Officer for LOCKHEED MARTIN's government prime contract under which this Contract is entered.

3. The following provisions apply to this Contract:

a) **RELEASABILITY OF CONTRACT**

The CONTRACTOR agrees that this Contract may be publicly disclosed.

b) **ASBESTOS MATERIAL**

During performance of this Contract, CONTRACTOR personnel performing work in Marshall Space Flight Center (MSFC) buildings may come in contact with materials containing asbestos. MSFC Buildings 4200, 4201, 4202, 4663 and 4666 are of special concern since they are known to contain a sprayed on fire insulation on or above the ceiling, usually located on the metal or concrete structure of the buildings. These buildings and all other MSFC buildings may contain asbestos in floor tile, pipe and lagging insulation, exterior siding, roofing felt, and many other building materials. Prior to disturbing suspected asbestos material in any manner, the CONTRACTOR shall notify representatives of the Environmental Health Office, an office within the MSFC Medical Center, for guidance. CONTRACTOR shall be responsible for ensuring that all CONTRACTOR personnel working onsite are made aware of and comply with this clause.

c) **ADVANCED AGREEMENT RIGHTS IN DATA**
The following constitutes an advanced agreement between the Government, Lockheed Martin and the Contractor regarding the interpretation of FAR 52.227-14, Rights in Data- General, Alternates II and III:

(a) In addition to specific deliverables required to be furnished under this Contract, the Contractor shall deliver all data (including computer software) used, furnished, or developed under this Contract to the Government, through Lockheed Martin, upon written request at no increase to contract value.

(b) The following categories of data (including computer software) shall be delivered to the Government, through Lockheed Martin, with unlimited rights. To the extent a conflict exists between data categories listed in this paragraph (b) and data items listed in paragraphs (c) and (d) below, this paragraph (b) shall control. *(Provide Listing of all Items Delivered under the Contract which will be Unlimited Rights to NASA)*

(c) The following list of data items are the only data items used, furnished, or developed under this Contract that will be provided to the Government, through Lockheed Martin, with limited rights in accordance with FAR 52.227-14, Alternate II. *(Identify Data Item in Sufficient Detail and Provide Appropriate Rationale for Declaring Limited Rights)*

(d) The following list of computer software items are the only software items used, furnished, or developed under this Contract that will be provided to the Government, through Lockheed Martin, with restricted rights in accordance with FAR 52.227-14, Alternate III. *(Identify Data Item in Sufficient Detail and Provide Appropriate Rationale for Declaring Restricted Rights)*

(e) With respect to the data (including computer software) delivered under this Contract, the Contractor agrees not to intermingle limited rights data and/or restricted computer software with data having unlimited rights.

(f) The Contractor agrees that the Government may use limited rights data, consistent with FAR 52.227-14, Alternate II, delivered under this Contract for the purpose of (i) use (except for manufacture) by support service contractors and (ii) evaluation by non-government evaluators.
