NOVATION AGREEMENT

Analytical Services, Inc. ("Transferor"), a corporation duly organized and existing under the laws of Alabama with its principal office at 7000 Muirkirk Meadows Drive, Suite 100, Beltsville, MD 20705; Lockheed Martin Corporation ("Transferee"), a corporation duly organized and existing under the laws of Maryland with its principal office at 6801 Rockledge Drive, Bethesda, Maryland 20817; and the United States of America ("Government") enter into this Agreement as of September 15, 2016.

(a) The parties agree to the following facts:

(1) The Government has entered into GSA Alliant Contract No. GS00Q09BGD0011 with the Transferor, as further identified in Exhibit A and incorporated in this Agreement by reference. The GSA Alliant Contract, as referenced in this Agreement, means GSA Alliant Contract No. GS00Q09BGD0011, including all modifications made between the Government and the Transferor before or after the effective date of this Agreement (whether or not performance and payment have been completed and releases executed if the Government or the Transferor has any remaining rights, duties, or obligations under these contracts and purchase orders). Included in the term "the GSA Alliant Contract" are also all modifications made under the terms and conditions thereof, on or after the effective date of this Agreement.

(2) As of September 15, 2016, the Transferor has transferred to the Transferee all the assets necessary to perform the GSA Alliant Contract, by virtue of the execution of a Bill of Sale, Assignment and Assumption Agreement between the Transferor and the Transferee.

(3) The Transferee has acquired all the assets necessary to perform the GSA Alliant Contract by virtue of the above transfer.

(4) The Transferee has assumed all obligations and liabilities of the Transferor under the GSA Alliant Contract by virtue of the above transfer.

(5) The Transferee is in a position to fully perform all obligations that may exist under the GSA Alliant Contract.

(6) It is consistent with the Government's interest to recognize the Transferee as the successor party to the GSA Alliant Contract.

(7) Evidence of the above transfer has been filed with the Government.

(b) In consideration of these facts, the parties agree that by this Agreement—

(1) The Transferor confirms the transfer to the Transferee, and waives any claims and rights against the Government that it now has or may have in the future in connection with the GSA Alliant Contract.

(2) The Transferee agrees to be bound by and to perform the GSA Alliant Contract in accordance with the conditions contained in the GSA Alliant Contract. The Transferee also assumes all obligations and liabilities of, and all claims against, the Transferor under the GSA Alliant Contract as if the Transferee were the original party to the Contracts.

(3) The Transferee ratifies all previous actions taken by the Transferor with respect to the GSA Alliant Contract, with the same force and effect as if the action had been taken by the Transferee.

(4) The Government recognizes the Transferee as the Transferor's successor in interest in and to the GSA Alliant Contract. The Transferee by this Agreement becomes entitled to all rights, titles, and interests of the Transferor in and to the GSA Alliant Contract as if the Transferee were the original party to the GSA Alliant Contract. Following the effective date of this Agreement, the term "Contractor," as used in the GSA Alliant Contract, shall refer to the Transferee.

(5) Except as expressly provided in this Agreement, nothing in it shall be construed as a waiver of any rights of the Government against the Transferor.

(6) All payments and reimbursements previously made by the Government to the Transferor, and all other previous actions taken by the Government under the GSA Alliant Contract, shall be considered to have discharged those parts of the Government's obligations under the GSA Alliant Contract. All payments and reimbursements made by the Government after the date of this Agreement in the name of or to the Transferor shall have the same force and effect as if made to the Transferee, and shall constitute a complete discharge of the Government's obligations under the GSA Alliant Contract, to the extent of the amounts paid or reimbursed.

(7) The Transferor and the Transferee agree that the Government is not obligated to pay or reimburse either of them for, or otherwise give effect to, any costs, taxes, or other expenses, or any related increases, directly or indirectly arising out of or resulting from the transfer or this Agreement, other than those that the Government in the absence of this transfer or Agreement would have been obligated to pay or reimburse under the terms of the GSA Alliant Contract.

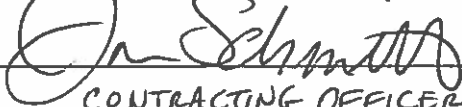

(8) The Transferor guarantees payment of all liabilities and the performance of all obligations that the Transferee-

(i) Assumes under this Agreement; or

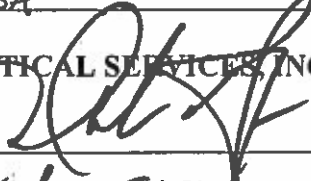

(ii) May undertake in the future should the GSA Alliant Contract be modified under their terms and conditions. The Transferor waives notice of, and consents to, any such future modifications.

(9) The GSA Alliant Contract shall remain in full force and effect, except as modified by this Agreement. Each party has executed this Agreement as of the day and year first above written.
