

# Method of Procedure (MOP) For Demolition Activities (Rev Jan 2022)

This MOP shall be completed by the General Contractor (GC) and submitted with other associated documentation (e.g., risk plan) to Lockheed Martin Space (LMS) Facility Operations & Services (FOS) and LMS Environment Safety & Health (ESH) prior to start of work per [LM Contractor ESH Requirements](#).

GC and its subcontractors are responsible for the health and safety of their personnel, though their own safety plans and procedures, and must comply with all applicable laws and regulations, as well as all communicated LMS site and program-specific requirements.
