

LOCKHEED MARTIN 

SMEUNITE 

The Lockheed Martin UK ecosystem to support
Small and Medium Enterprises

SMEUNITE® is a Lockheed Martin – designed supplier ecosystem for Small and Medium Enterprises (SMEs) that offers a collaborative technical community to support emerging and future requirements.

Not only does **SMEUNITE®** improve supplier engagement, it will uncover innovation and collaboration opportunities and add value across an entire supply chain.

SMEs can register under multiple Service Towers (providing they can evidence they have the capability to sit on each one) and once approved, will be able to compete for work within these Towers.

CURRENT REQUIREMENTS ARE DIVIDED INTO 12 SERVICE TOWERS:

- Aircraft Vehicle Operators
- Aircraft Vehicle Suppliers
- Cable and Cable Assemblies
- Computer and IT Supplies
- Computer Based Tools inc. Software Products
- Computing Cabinets
- Electronic Electrical Components
- Electronics Embedded Processing
- Electronics, Controls, Display, Network Peripherals
- Specialist Engineering
- Test and Certification

WHAT ARE THE BENEFITS?

- Experience and expertise of large prime leader
- Opportunities to bid for work packages against only other SMEs
- Stay up to date with the latest customer requirements, technology and challenges
- Compliance and quality leadership
- Reliability
- Network of suppliers – collaboration framework beyond normal reach
- There is no cost to join SMEUNITE®

HOW DO I JOIN?

Visit smeunite.lockheedmartin.com and follow the 'Create Supplier Account' to register. You will begin the onboarding process once your registration has been approved.
